Chapter 31

Pickle and Pepper

CHESTER'S BACK!

CHESTER'S BACK!

I've missed you...

I'm happy to see you...

YOU JERK!

SLAP!!

What did I do?

I told her everything...

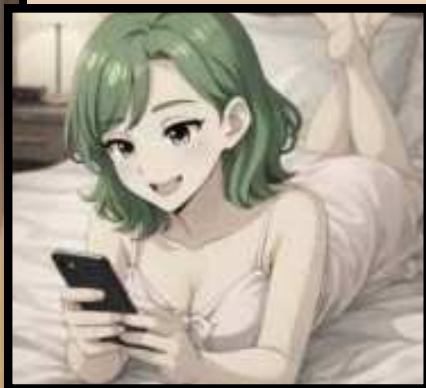

How could I be so stupid?

How did I not see it?

Those lying
jerks.

I've been falling for
both of them.

In a weird way, it's
kind of sweet...

They took really good care of me at the hospital.

That's good. When we left you were in pretty bad shape.

Hey, what made you tell Romaine all of a sudden?

You were right, Chester. She deserved to know the truth.

I was being selfish keeping it from her.

Then it's true... You really do love her.

I always have. I just got in my own way.

A woman with vibrant green hair and a light blue shirt under a tan blazer stands in the center of a modern office hallway. She has her hands clasped and is looking upwards with a hopeful expression. To her left, a man with a burger-shaped head and glasses walks away. To her right, a man with orange hair and a shoulder bag walks away. The hallway has large windows on the right showing a city skyline at dusk, and the floor is polished and reflective.

Chapter 32

Romaine

Chester...I...

I'm sorry I hit you. I
am happy to see
you well.

Don't apologize. I
deserved it.

Why is this so difficult?

Mr. Pickle's old office...

I am not my
father...

Now that we can focus on business, there are some major accounts we can bring in to appease the board.

Though Paprika is coming home, there is still much work to be done in New York

I'm relying on you two to keep an eye on Dill and reassure the board of our future without Pickle.

Thank you for rescuing me. You were amazing!

Thank you for your hospitality. New York has been fun.

A few minutes later...

Mind if I join you? I brought you coffee.

I won't turn down coffee.

Did you really mean all those wonderful things you wrote?

Every word.

I've always liked you Chad.
I never imagined you
thought of me that way.

People make a lot
of assumptions
about me, but I
have crushes like
everyone..

I think you're amazing.
Thank you for being such
a good friend.

I'm just glad
someone
appreciates my
poetry.

Later that night...

To be continued...

Note from the Author

Hey Reader!

You made it to the final issue of Chad the Cheeseburger---season one.

I cannot end it there with things unresolved. This world of characters has been so much fun to write, I don't want to stop now.

I'm currently planning season two where we introduce Chad's new intern, Candy. A wild and free-spirited marketing prodigy who drives Chad crazy.

Romaine can't decide between Chad and Chester now that she knows the truth, but now Mayo's growing relationship with Chad complicates things.

Of course, Bear Claw returns along with Mr. Pickle and other new threats to The Pickle and Pepper Firm.

Thank you for reading 😊 I will see you in Season 2!
