Chapter 11

Performance Review

Perfect! Then I'm sending you on an all expenses paid business trip to Japan!

THIS IS A DREAM
COME TRUE! I LOVE
JAPAN!

The rest of the team
traveling with you is
just behind that
door! Safe travels!

Oh boy! I wonder
who I'll be traveling
with.

Them!

Sup, Chip!

Good morning, Chad.

THIS IS A NIGHTMARE!!

When Pickle called me in for the performance review, I thought I was fired for sure.

Me too.
Now we're all headed for Japan.

I heard Mr. Pepper was working on a merger with a Japanese firm, but why would he send us of all people?

He's getting rid of us so he can have Romaine all to himself.

This is bad. I can't leave now. Romaine and I are in a weird place.

Is that all you boys think about?!

Mr. Pickle is not paying to send us all to Japan just to steal your girlfriend.

Desperate times call for desperate measures. You know a little something about that.

On the bright side. I've always wanted to go to Japan. This is a once in a lifetime opportunity.

I have to pack. I'm totally unprepared for this trip. Arrive at the airport early or you'll be left behind.

Mayo Nessa's office...

This calls for an emergency shopping trip!

I shop online!

Come on, Mayo! It will be fun!

We don't have much time! Let's go!

Wait! I have to inform the staff!

Shopping is more important!

Chapter 12: Shopping

WELCOME TO MY DOMAIN!

Let's go in here first!

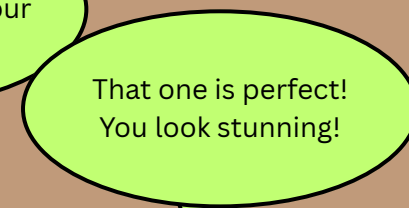

Slow down! I'm wearing heels!

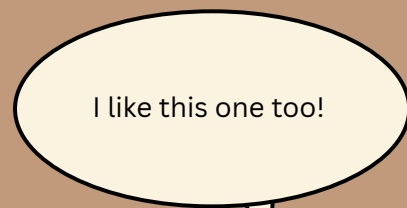

Let's try something darker. Bring out your skin a little more.

That one is perfect!
You look stunning!

I like this one too!

I guess shopping isn't
so bad afterall.

I hope you're having as much fun as I am.

I've never had this much fun shopping.

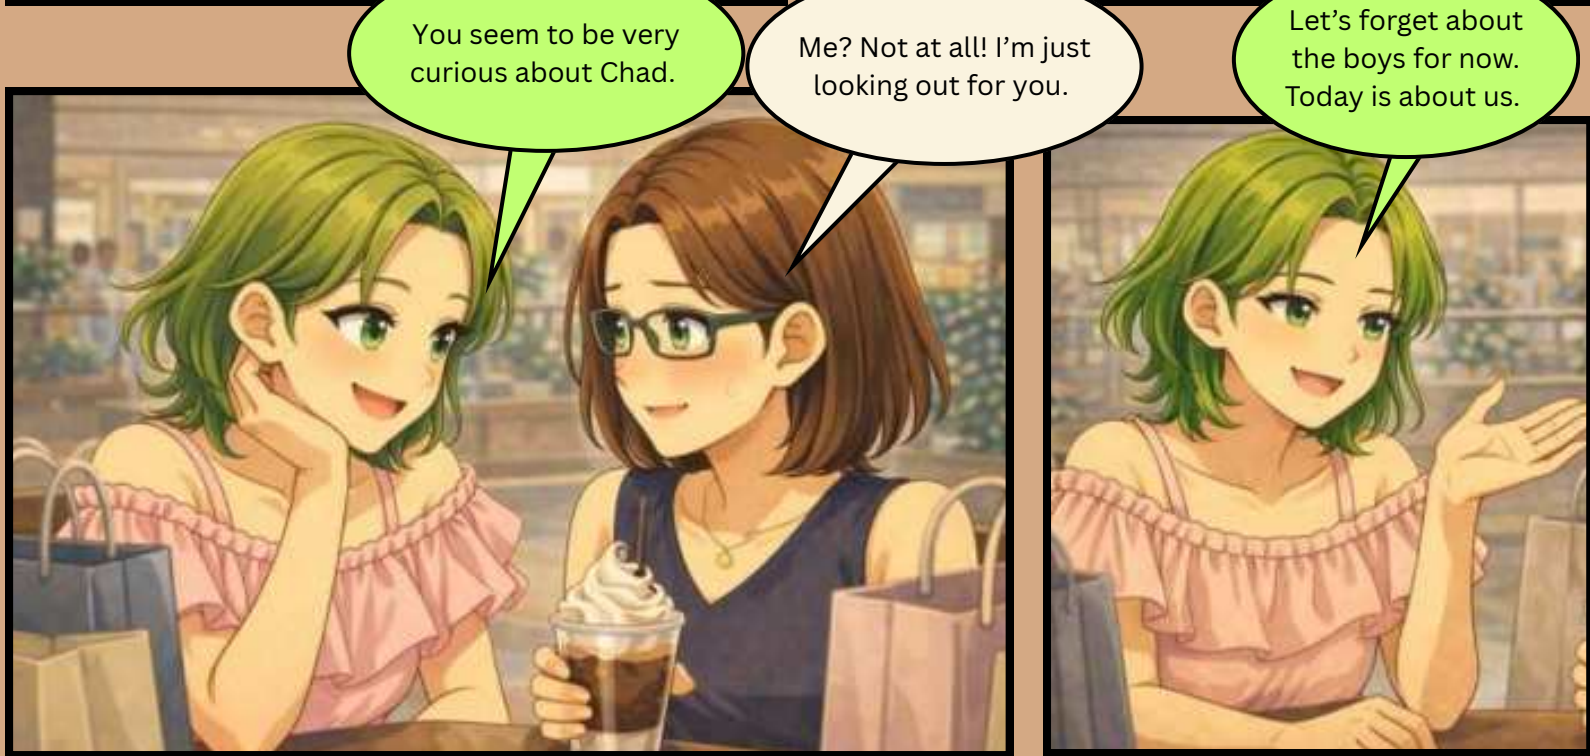

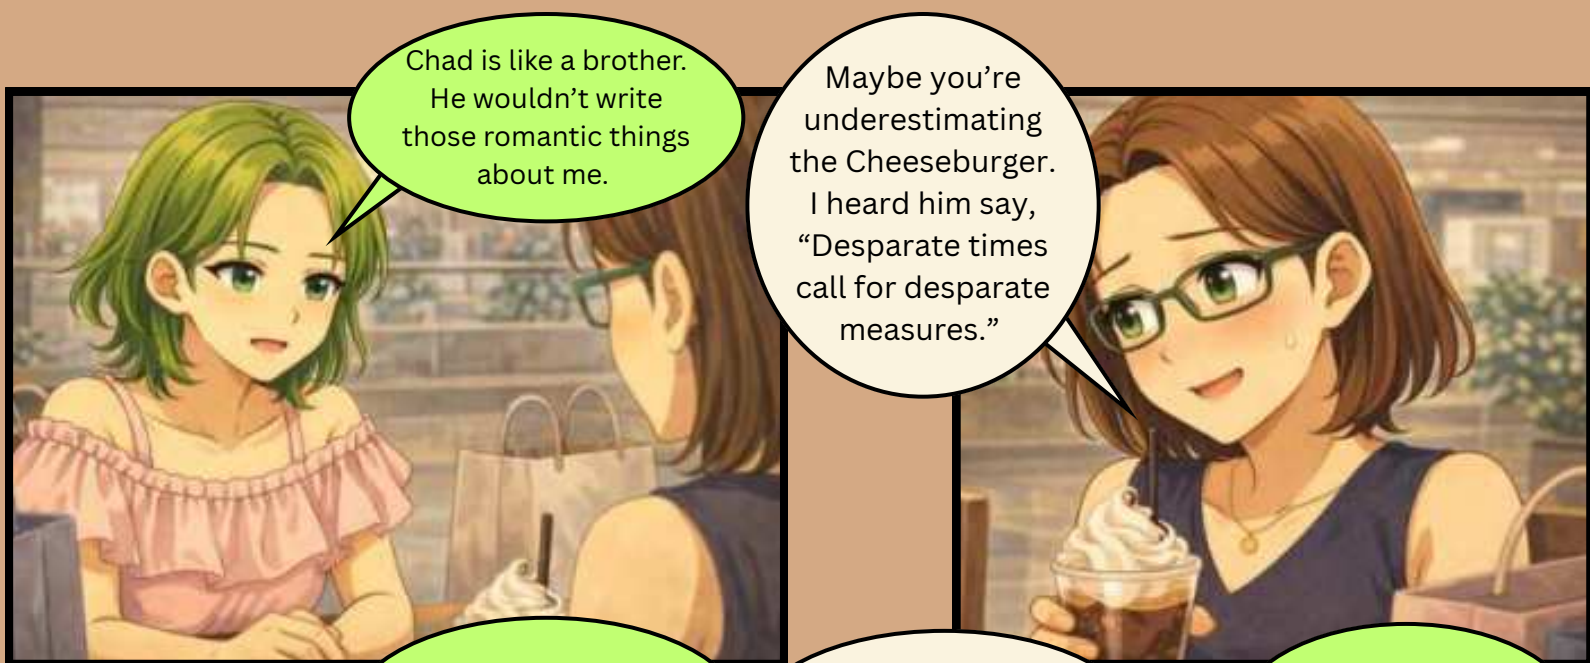

Thank you for forcing me to do this...

When you get back from Japan, we can do it again!

Speaking of Japan. Chester and Chad won't shut up leaving you with Mr. Pickle. What's up with that?

Oh, those boys! Mr. Pickle is just being nice because I'm new. Chester...confuses me. He says he likes me and writes me the most beautiful poetry but hardly says a word to me in person.

Chester write poetry? You must mean Chad. Chester's a looker, but he's about as sharp as a butterknife. Chad is the one with the silver tongue.

I've got some enemies in Japan, so I'll feel better with you by my side if I know you can fight.

Now try to hit me.

You'll have to be quicker than that...

a few minutes later...

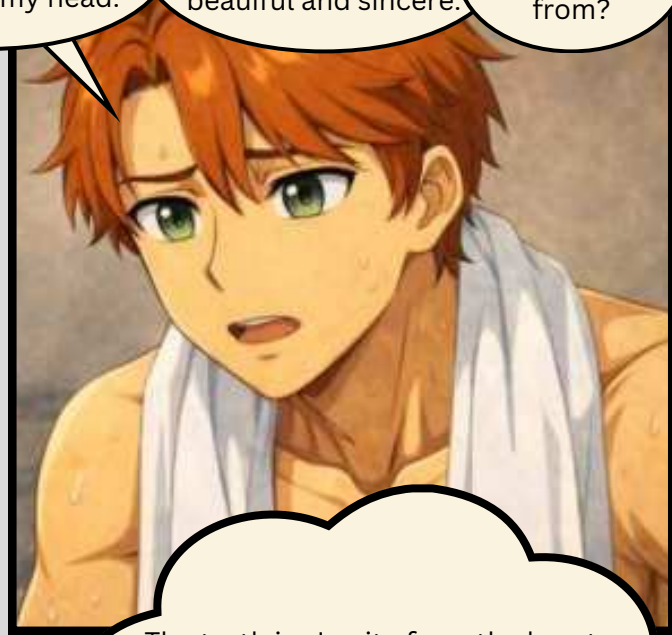

Chad, I've been meaning to ask you something.

You once told me to write with my heart instead of my head.

The things you write to Romaine, are so beautiful and sincere.

Where do you write from?

I've come to care about you both and want you guys to be happy.

So, I still write from my heart. I feel very strongly for both of you.

The truth is...I write from the heart because I love Romaine. But I could never tell you or Romaine that. In her eyes I'm just a cheeseburger.

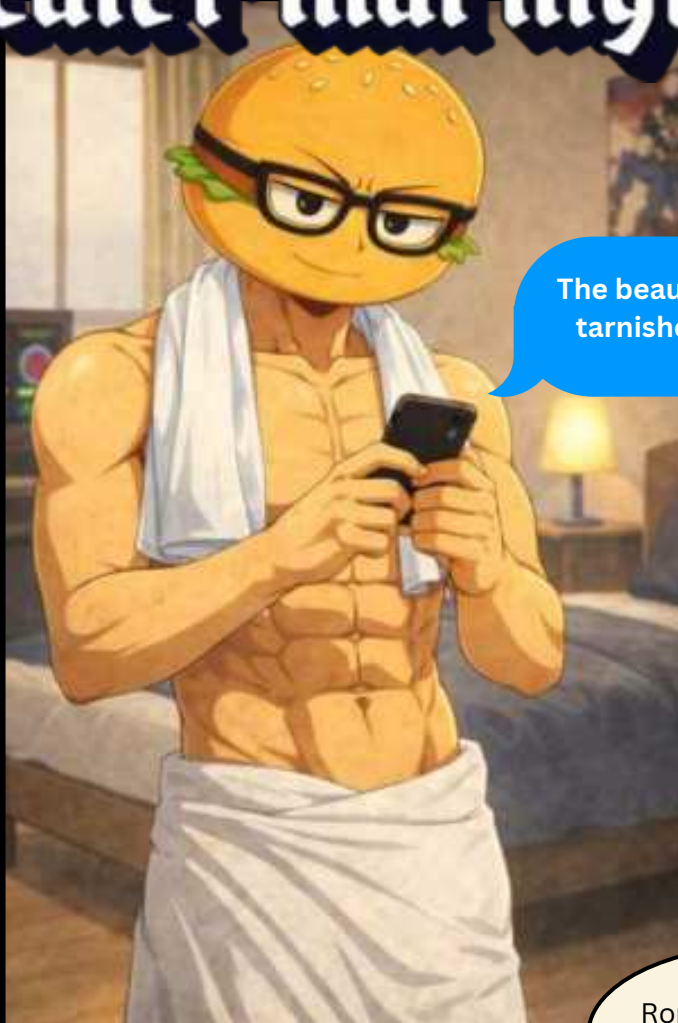

For a second I thought maybe you had feelings for Romaine too.

Who me? Nah, I'm still trying to put the moves on old lady Maragaret.

Later that night...

My lovely Romaine,
The beauty of the cherry blossoms are
tarnished by the aching of my heart
missing you.

Romaine? What are
you doing here?

I got your text. I
couldn't let you
leave without...

Epilogue...

The package on the table is for you.

Dill, I'm sending you to Japan with the team.

Make sure Chad and Chester don't make it back...

Note from the Author

Hey Reader!

This issue is a punch to the gut. Chester gets the reward of Chad's heartfelt words right before they leave for Japan.

In the original work, Christian and Cyrano go to war, but our heroes are going to Japan for business. However, they're going to be fighting their own battle.

Next issue Chad and the gang are immersed in Japanese culture. Mr. Pepper also makes his first appearance. Dill has lethal decision to make. And somehow the Yakuza gets involved.

Hope to see you at the end of next issue.

Thank you for reading :)
