Chapter 13: Turning Japanese

Pickle...

Cheeseburger...

We meet again...

This time there's no
one here to save
you...

Oh no. Chad!

I'm going to enjoy
deconstructing that
head of yours.

Woosh!

thunk!

This can't be...

You actually did it!

MY HERO!

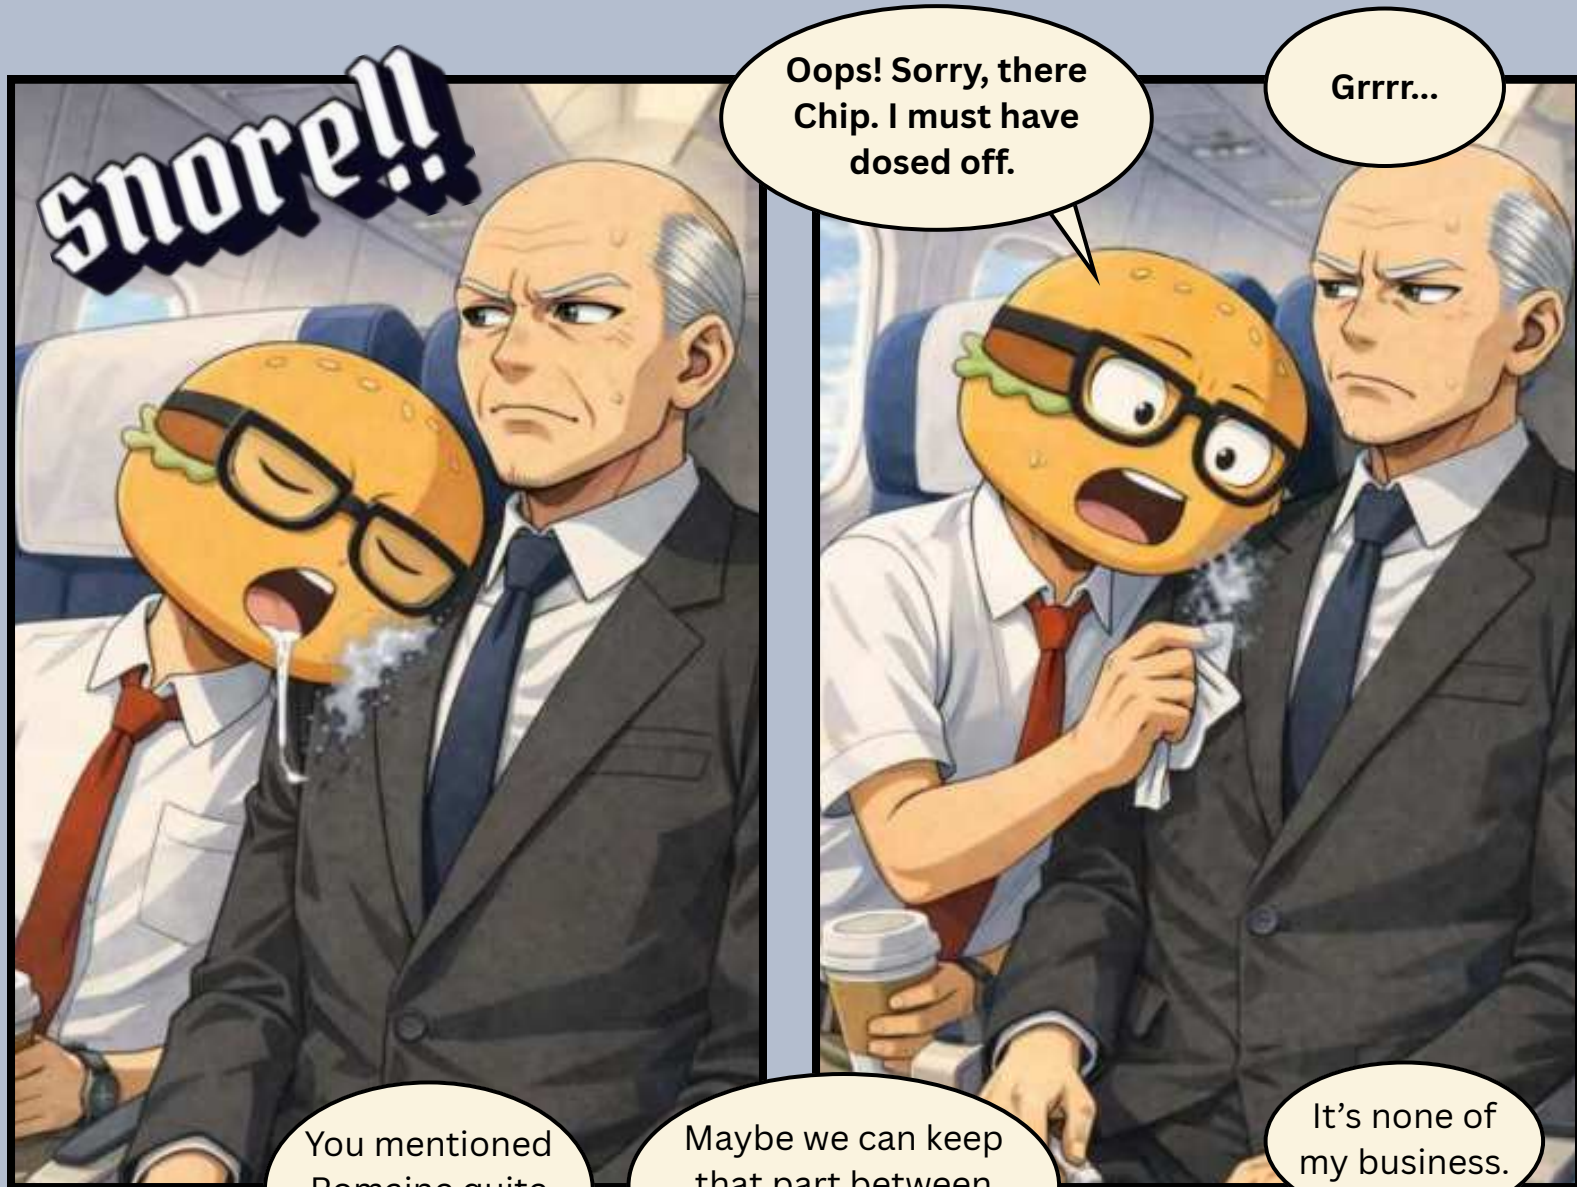

Your safe now Romaine. He can't hurt you anymore.

I love you
Romaine.

Oops! Sorry, there Chip. I must have dosed off.

Grrrr...

You mentioned Romaine quite a bit there...

Maybe we can keep that part between us?

It's none of my business.

So, what do you boys think of the kimono? Too much?

Say something normal... say something normal... damnit!

I can't think of an appropriate response for this situation.

You boys are unbelievable!

I think you look very nice.

Thank you, Chester.
Is your nose bleeding?

I gotta keep my head
on straight.

Is that Mayo
Nessa?

Damn, Mayo... that
kimono's doing your
body dirty!

Excuse me?!
Who the hel do you think
you're talking to?

wink

Yo! Burger Head! I gotta talk to you.

Bah!
I forgot you
were there!

Remind me again why
you're on this trip. You're
not a company employee.

Because I've known Mr.
Pepper since I was a kid.

They've been business partners forever.

If my dad is the bad cop, then Pepper is the executioner with a smile.

If you mess this up, You won't find out until the boogeyman comes to collect your head.

He sounds charming...

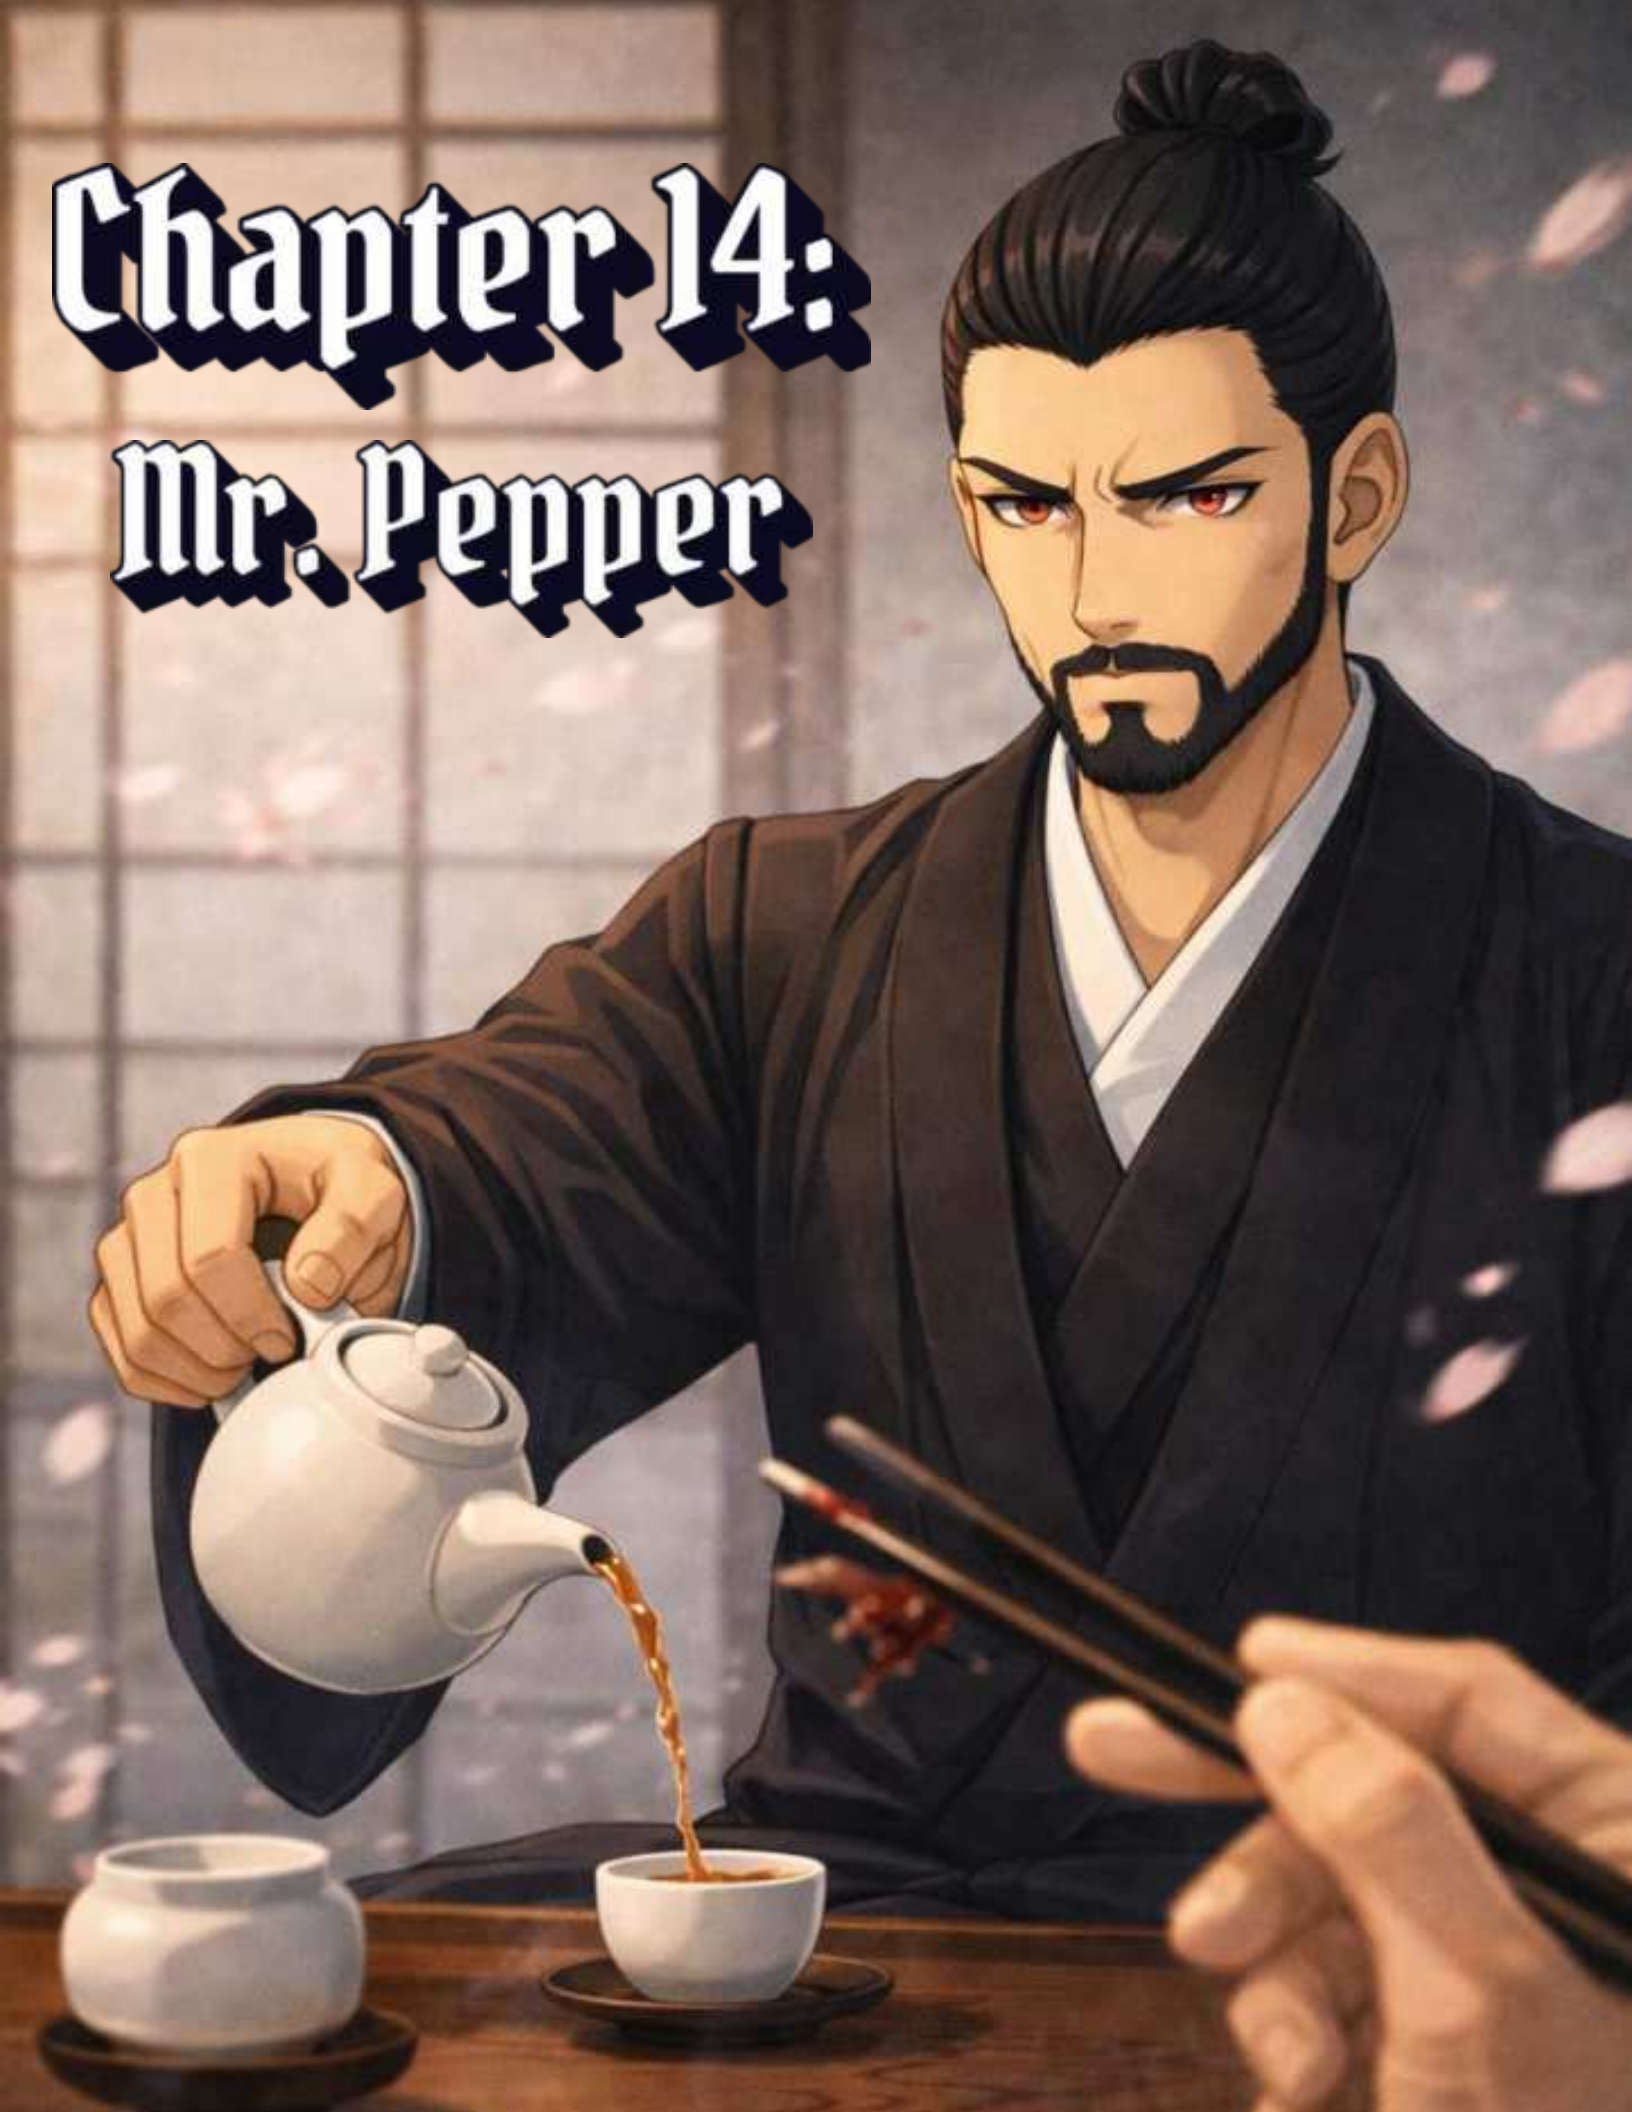

This is serious. Don't say I didn't warn you.

Consider me warned...

Chapter 14:

Mr. Pepper

Welcome to Japan. I am Mr. Pepper. You come highly recommended by Mr. Pickle

This place is awesome!

We are grateful for your hospitality.

Allow me to give you a tour of the office.

This looks like its out of a samurai movie.

And a tour of the city...

before we get down to business.

we slurp to be polite, not obnoxious.

Try a calm and reverent bow...

cannonball!

Why did Pickle send these fools for such a dangerous mission?

For years now, we've had steady relations with a company that has been taken over by Yakuza.

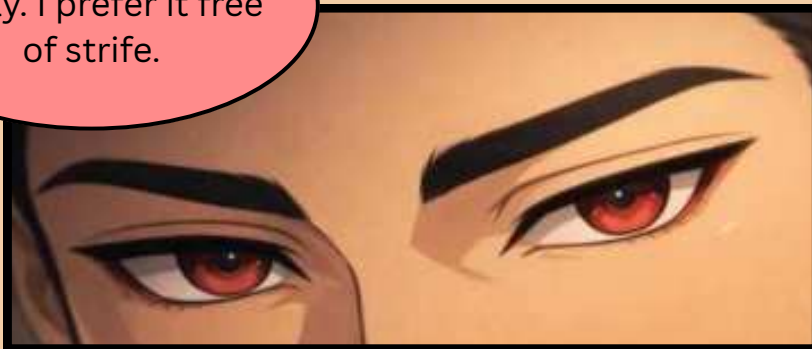

This has created trouble for our investors.

A business is like a family. I prefer it free of strife.

No matter how small...

I deal with all disturbances the same way.

Swiftly.
Completely.

A new set of chopsticks, please.

You were sent here to help me with my disturbance.

failure is not an option...

Here's another one. I think you've got a fly problem.

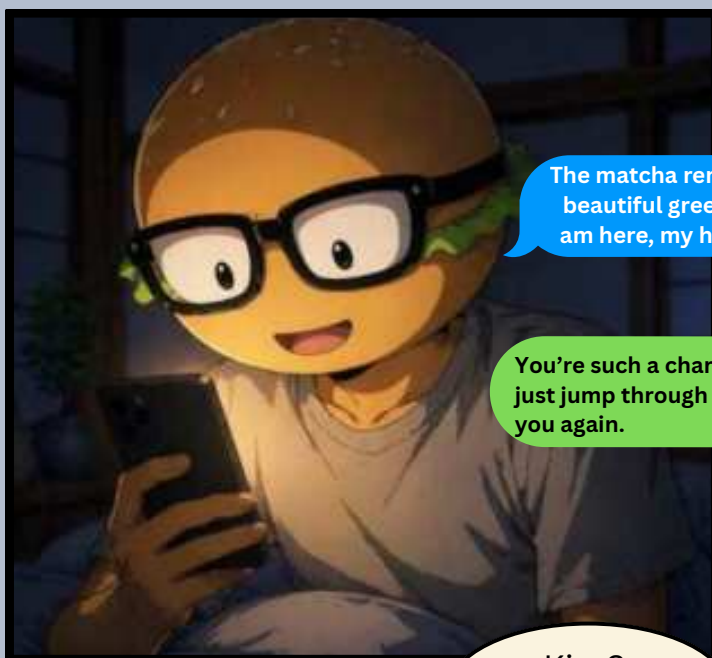

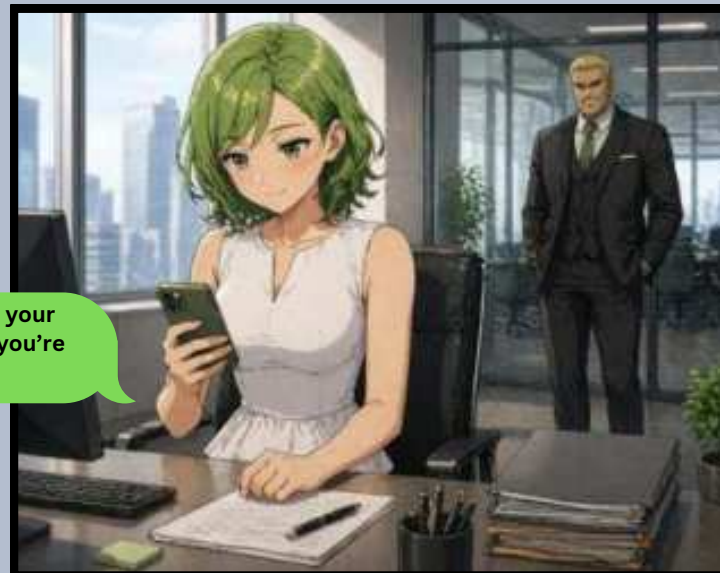

Perhaps he is more capable than I thought.

That night...

Romaine, I miss you like the clouds miss the rain after they've fallen

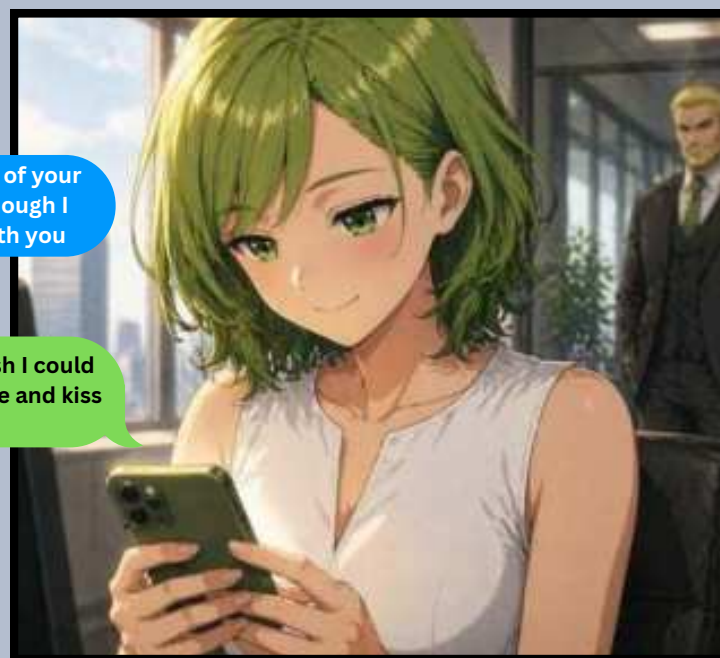

Chester! I'm so glad to have your words to comfort me while you're gone. How is Japan?

The matcha reminds me of your beautiful green hair. Though I am here, my heart is with you

You're such a charmer! I wish I could just jump through the phone and kiss you again.

Kiss?
again...

Mr. Pickle is watching. I better go! Keep sending me those lovely messages. XOXO

My kiss...

I've been the architect
of my own pain. I didn't
expect it to hurt his
much.

Elsewhere in Japan...

I'll do you one better and bring the one responsible for them.

Your father owes me for the ninja I lost in America.

I'm going to enjoy tearing that burger apart myself.

To be continued...

Note from the Author

Hey Reader!

Chad has finally tasted the fruit of his labor and it was even more bitter than he imagined. How will this affect his relationship with Chester, who keeps benefiting from his work without knowing the cost?

Meanwhile Chad has no idea what's being arranged around him. Dill has promised to deliver him to the Yakuza and dispose of Chester. Mr. Pickle will be very pleased.

In the original story, Christian — who is Chester in our version — dies in war. We're giving you the chance to decide what happens here. If you are reading this early enough, we invite you to participate in a poll voting for how this story ends. Will Chester live or die? Will Chad end up with Romaine? Or should the story continue beyond the scope of Cyrano de Bergerac?

Follow us on social media and Patreon to cast your vote.

Thank you for reading :)
