Chapter 15: Morning After

I got up extra early to brew this excellent tea

sorry, Chip.
Here's a hanky...

I bet Mayo Nessa will love it.

Baaaahhh!

That tea was expensive!

I'm waiting...

What's up with you?

why don't you just send her a kissy face...

Good morning, everyone.
We have a very important meeting today

I've never seen you upset like this before, Chad.

Did something happen?

Today, we are going to a very important meeting that could finalize this merger. I need you all to work your American charm.

Chad and Chester, Dill has volunteered to drive you there himself. Everyone else come with me.

Where is Chip?

grumble

What do you think I'm trying
to do sabotage my dad's
business?

Relax...take a deep breathe.
Everything will be fine.

Geez! That stuff stinks!

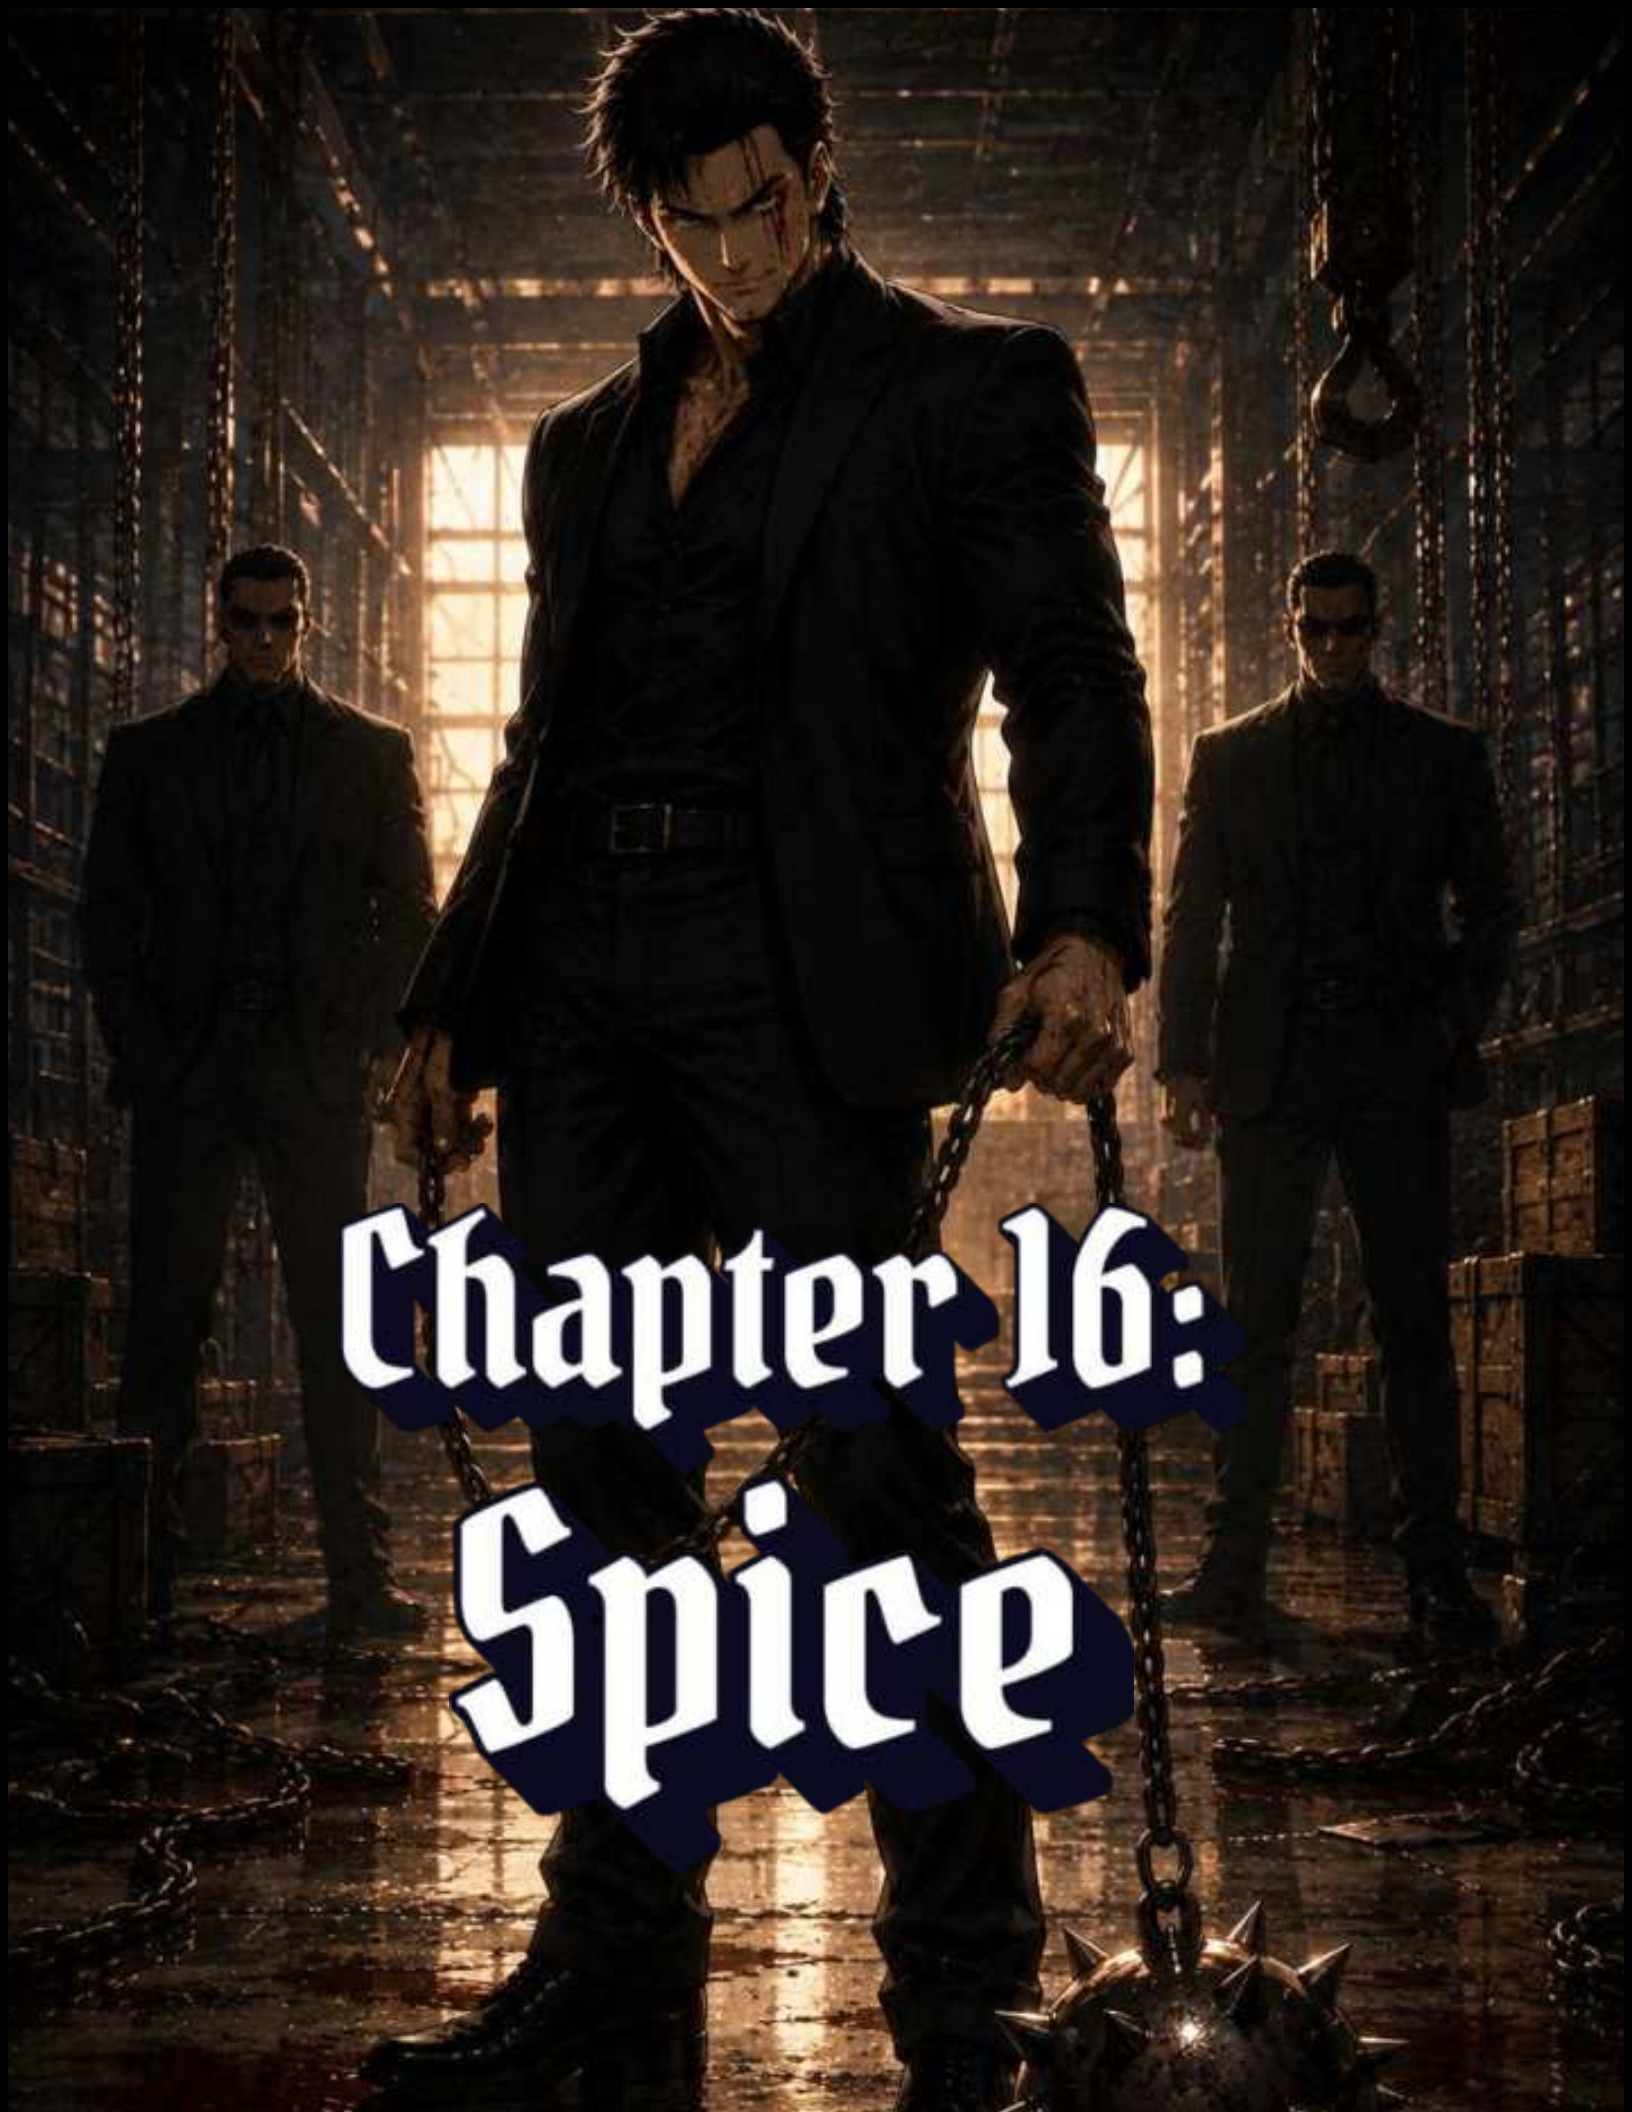

It looks like the boys
took a wrong turn.

Dill knows his way
around town. It may be
a shortcut.

They should've been
here by now.

A dramatic scene from a video game. In the center, a man with dark hair and a bloody face stands in a dark, industrial environment. He is wearing a dark suit and holding a chain that leads to a spiked ball. Two other men in suits and sunglasses stand on either side of him, looking forward. The background is filled with chains and industrial structures, with light streaming in from a window behind the central figure. The floor is wet and reflective.

Chapter 16: Spice

What the hell?

Hey! Cut that out!

You owe me a small army of ninja.

What? Ninja?

Who are you
supposed to be?

They call me Spice.

When you piss off
the Yakuza.

I make sure it stings!

pow!

Do you have a preference?

thwack!

is that all you got?

...and by the way, those
ninja were chumps.

I thought they were just gonna rough em up.

I've got to do something.

This is all my fault...

I think he's learned his lesson, Spice. We should let Chester go. He wasn't part of the deal.

Your father wanted the redhead gone. Now, get your hands off me before you join them.

My Dad worked out his own deal behind my back...

Time to call for backup...

This is a very bad time,
Dill. Where are you?

Did you say, Spice?
Send me your location.

apologies, I need to
make a call.

I've sent you the details.
Meet me there immediately
with the equipment.

yes sir.

To be continued...

Note from the Author

Hey Reader!

This issue is wild!

We're in the war part of the Cyrano plot but Chad's war is with the Yakuza. The addition of Mr. Pepper and Spice are purely a Chad the Cheeseburger invention but I like it, so I'm keeping it.

The idea for Chad being tortured was an outward representation of his internal torture of helping someone else get the girl he loves. It's also inspired by Casino Royale :)

In Cyrano de Bergerac some characters don't survive the war. Will it be the same for our heroes? Will Dill ensure Chad and Chester don't make it back home or will he do what his father asked?

Find out next issue!

Thank you for reading :)
