Chapter 1

This changes
everything.

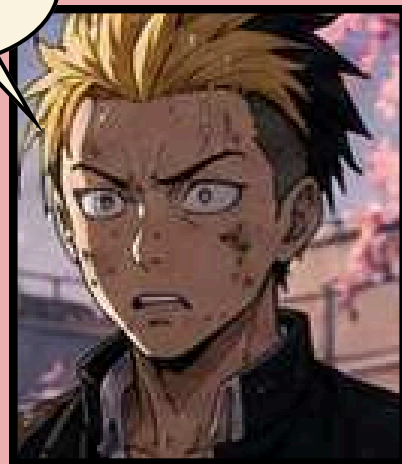

Oh no!

Is that what
we've been
looking for?

It can't be...

KATSU,
DON'T!!

Months Earlier...

Take your fast food
American poison
back where it
belongs.

Just leave me
alone!

I don't have a choice. I'm here for the year.

I don't want to look at your disgusting face for a whole year.

Maybe a good beating will send your family packing.

I know all of your
parents. You ought to
be ashamed.

Sorry about my
brother. He has
always been a
grouch.
Are you okay?

Yeah...
thanks

Anyway, I
gotta run
to class.
See ya
around!

If my face didn't hurt so
bad, I would think I was
dreaming...

Huh? Where
did you come
from?

She's
something
else isn't
she?

Chapter 2

Cafeteria...

Aye!
Cheeseburger!

Come sit.

crap...

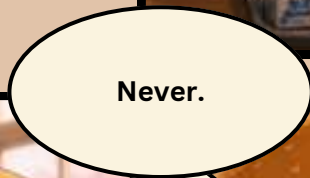

Has anyone ever tried to eat you?

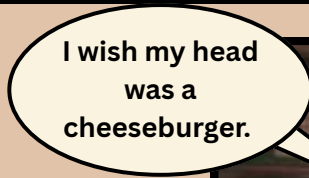

All the time...

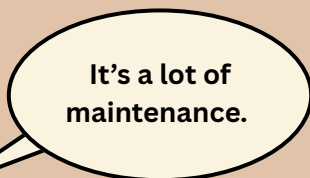

Have you ever tried to eat yourself?

Never.

I wish my head was a cheeseburger.

It's a lot of maintenance.

Sure, Oni.

Sorry Katsu.

It's all yours.

Hey!

Splash!

What the hell,
Daikon?

I hate
Onigiri.

But it was
Daikon who
did it?

Daikon is a big dumb
teddy bear loyal only to
Oni for some reason.

Now about
your origins,
why can't I
find anything
about you on
the internet?

I don't know.
I've never
looked into it.

I've been like
this all my life.
My foster
parents said
they found
me and I
never asked
questions.

After School...

We never got to finish what we started earlier.

My sister's playing volleyball...

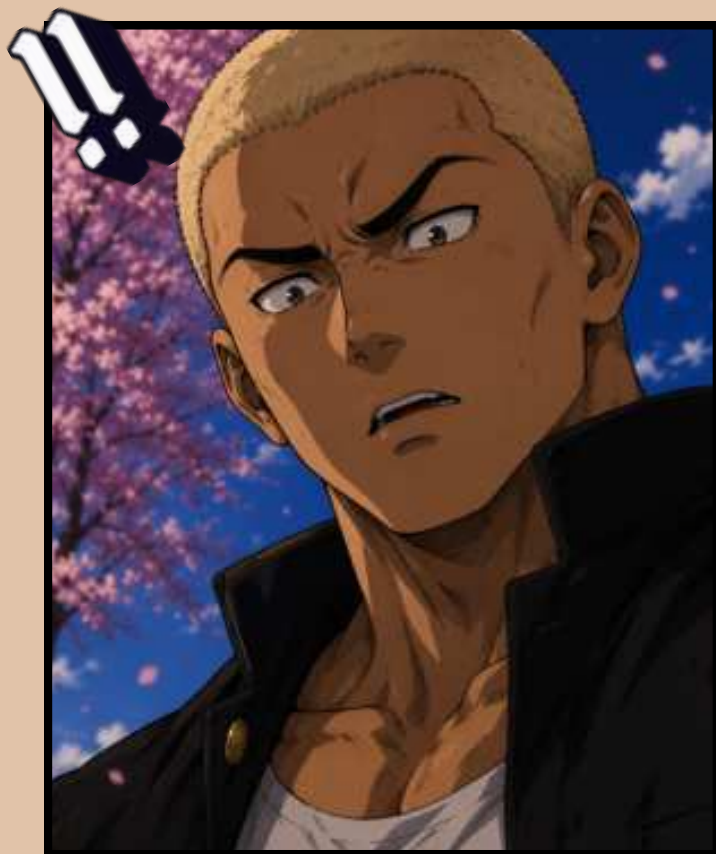

so you've got no one to save you this time.

You caught me off guard before. I won't make that mistake again.

HA!

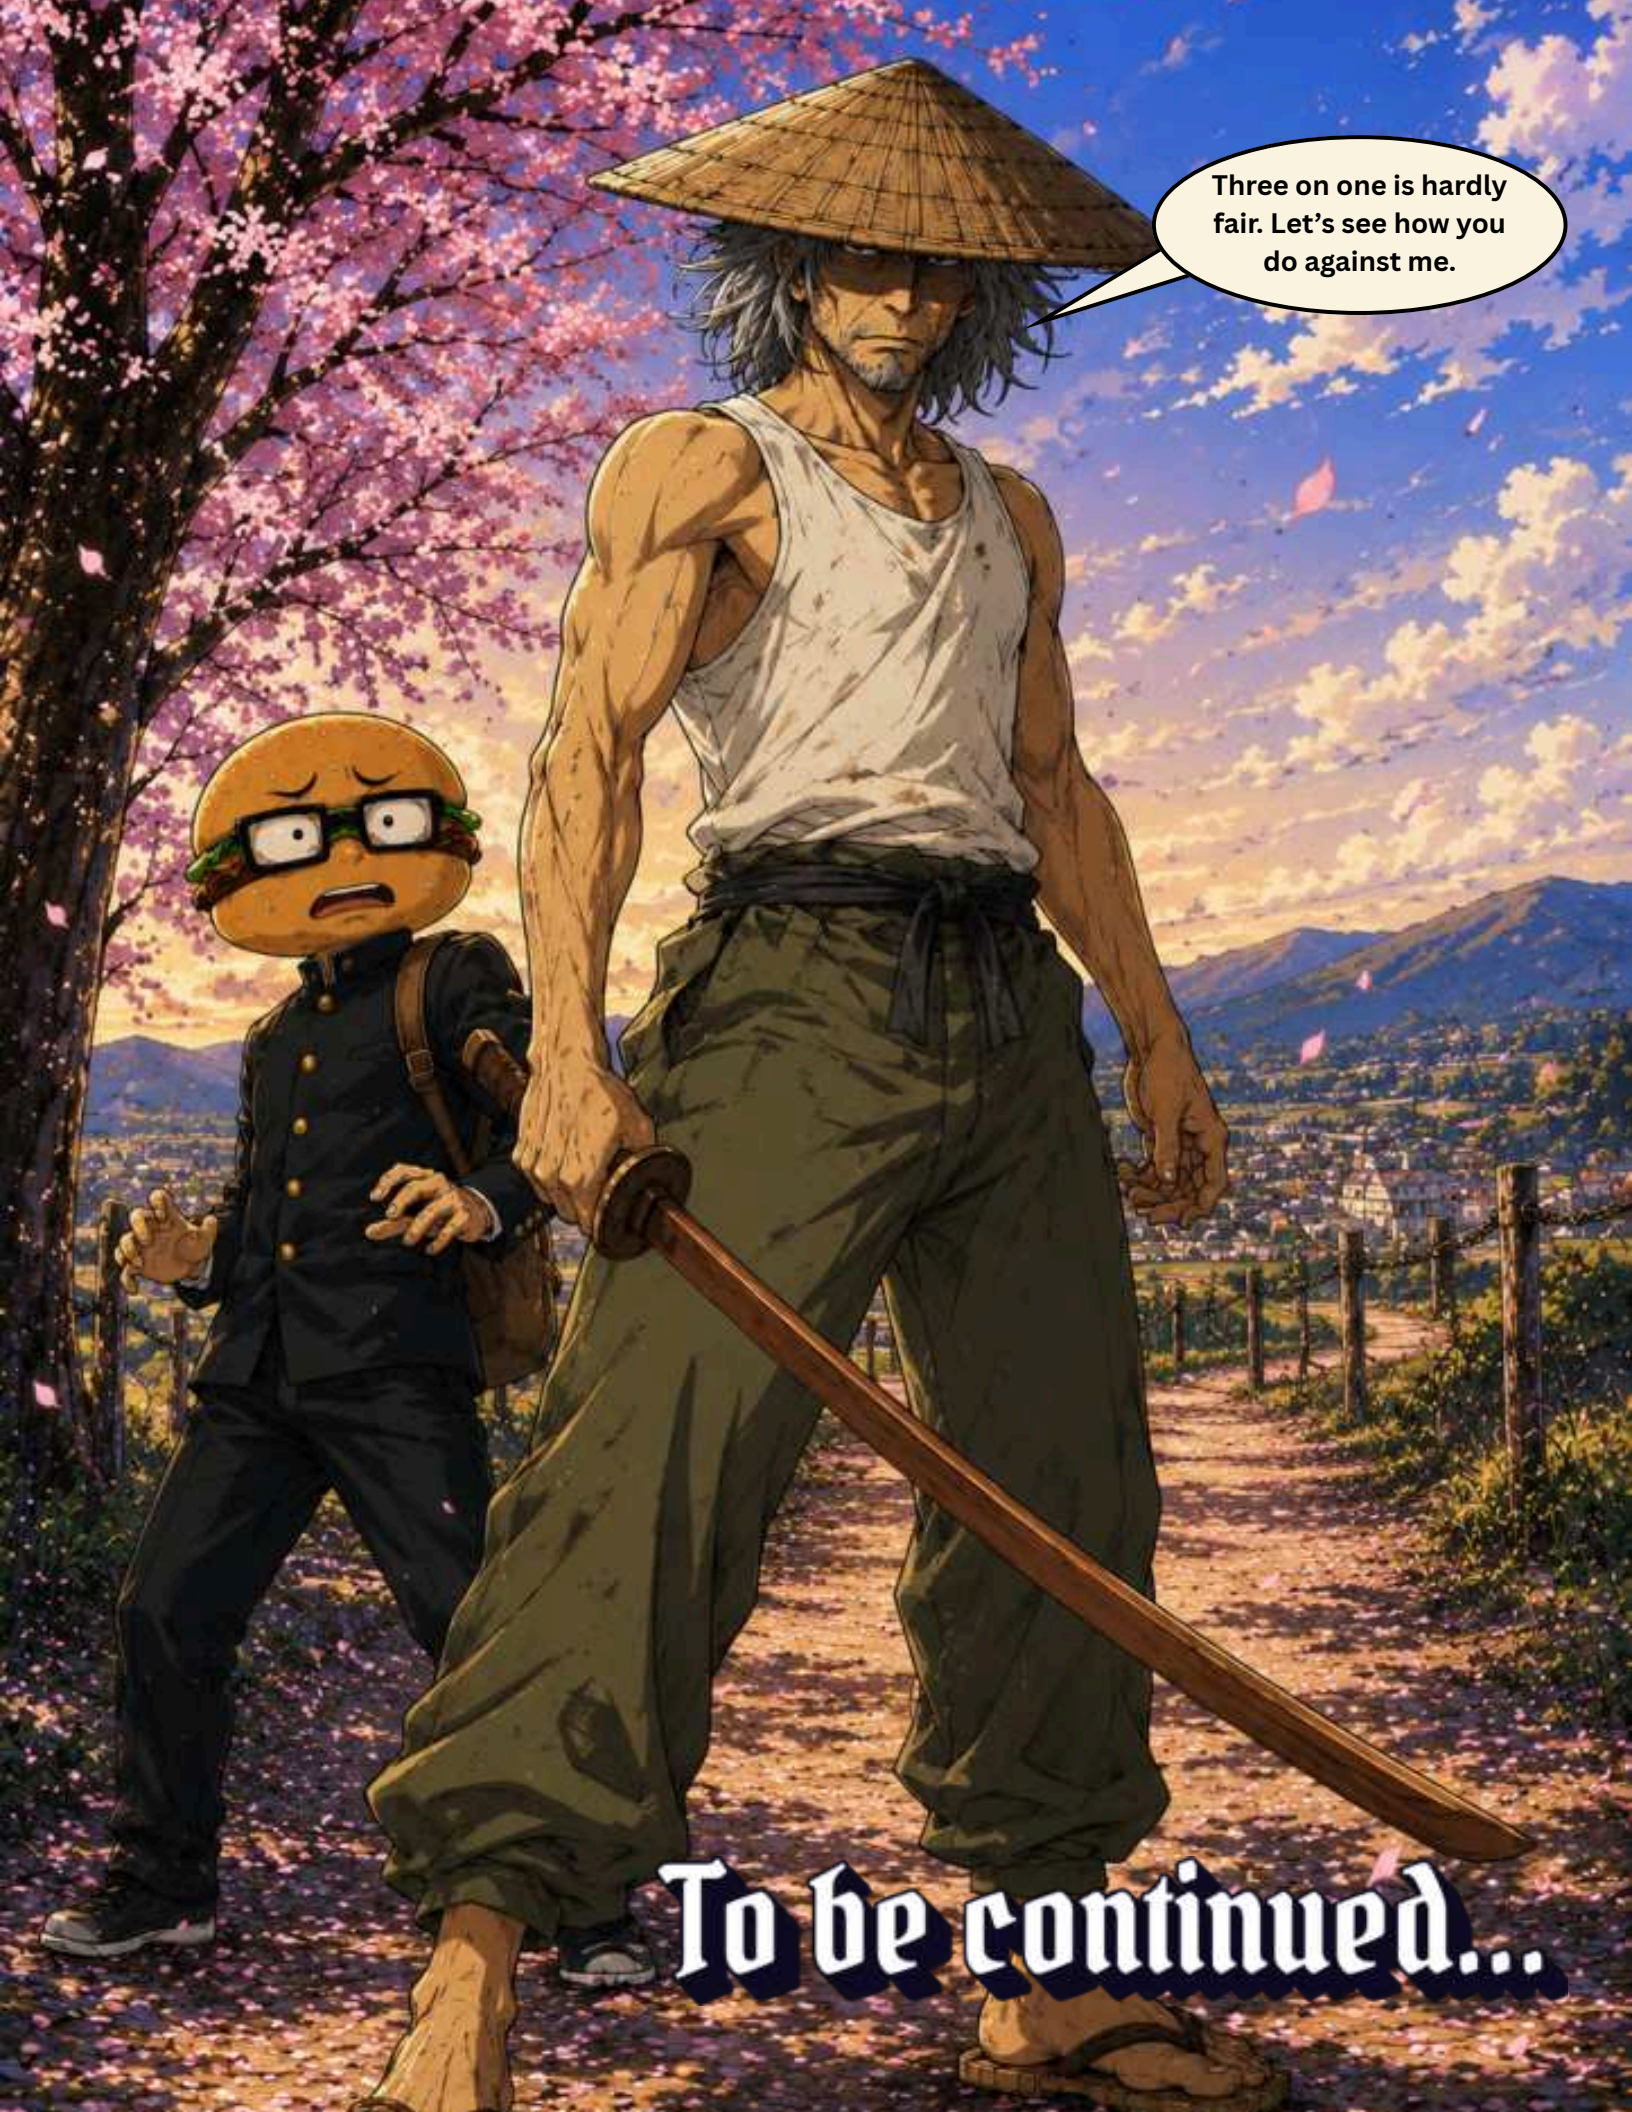

HEH
HEH...

TCH.

HOW PATHETIC!

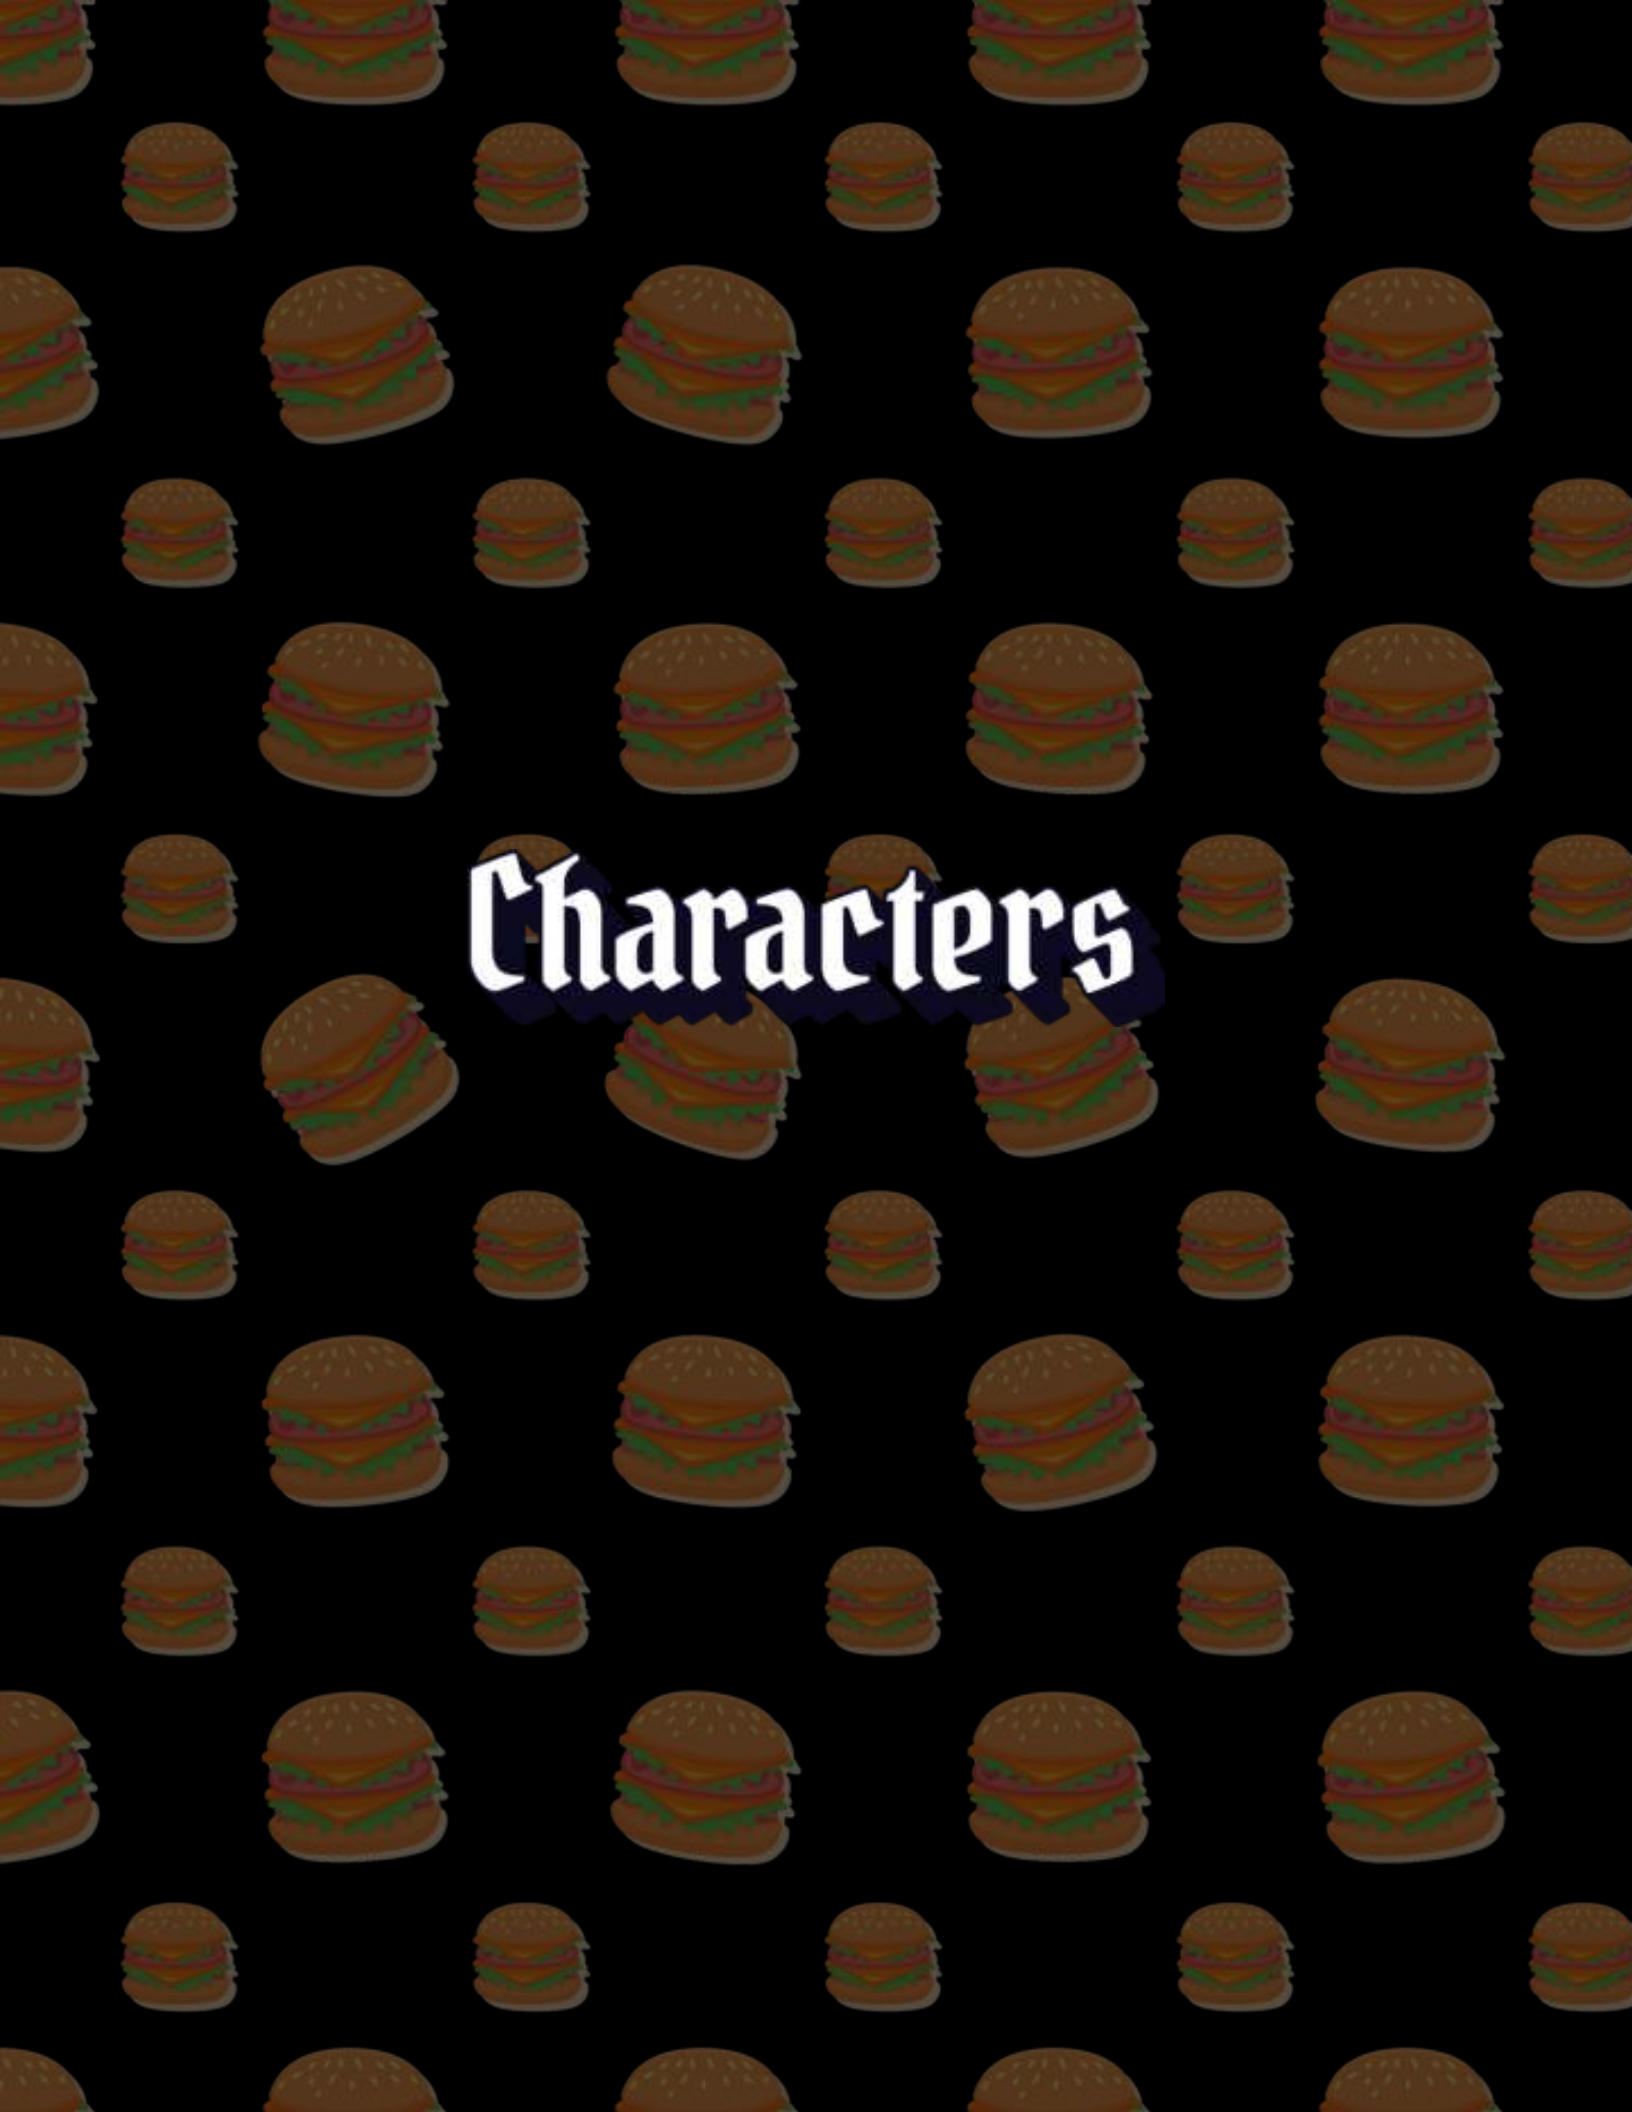

Tsk! Whatever! I'll
take you bare
handed!

Three on one is hardly fair. Let's see how you do against me.

To be continued...

The background of the entire image is a dark, charcoal grey color. It is covered with a repeating pattern of stylized burgers. There are three distinct sizes of burgers: a large burger, a medium burger, and a small burger. They are arranged in a grid-like fashion, with larger burgers in the main rows and smaller ones interspersed. The burgers are depicted with brown buns, green lettuce, red tomato slices, yellow cheese, and brown meat patties. The word "Characters" is centered in the middle of the image, overlaid on a dark blue, wavy-edged banner.

Note from the Author

Hey Reader!

Welcome to the prequel series of Chad the Cheeseburger where we follow Chad's senior year abroad in Japan. Before he was the master swordsman and marketing executive at The Pickle and Pepper firm, Chad was an awkward high schooler with a chip on his shoulder.

This high school drama draws inspiration from literary works such as *Catcher in the Rye*, *Turtles All the Way Down*, and others. By following this series you will learn why Chad uses a katana, writes poetry, and has enemies in Japan.

Characters from this series will reappear in Chad's future, so it's worth sticking around. We have only begun to establish the mystery that will shape Chad's character, lifelong friendships, and enemies.

Soon we will meet, Sensei Miso, who becomes Chad's mentor and trainer. We will also uncover the mystery that will change the dynamic of his newfound friends forever.

Thank you for reading :)
