Printed in the United States

That was unexpected.

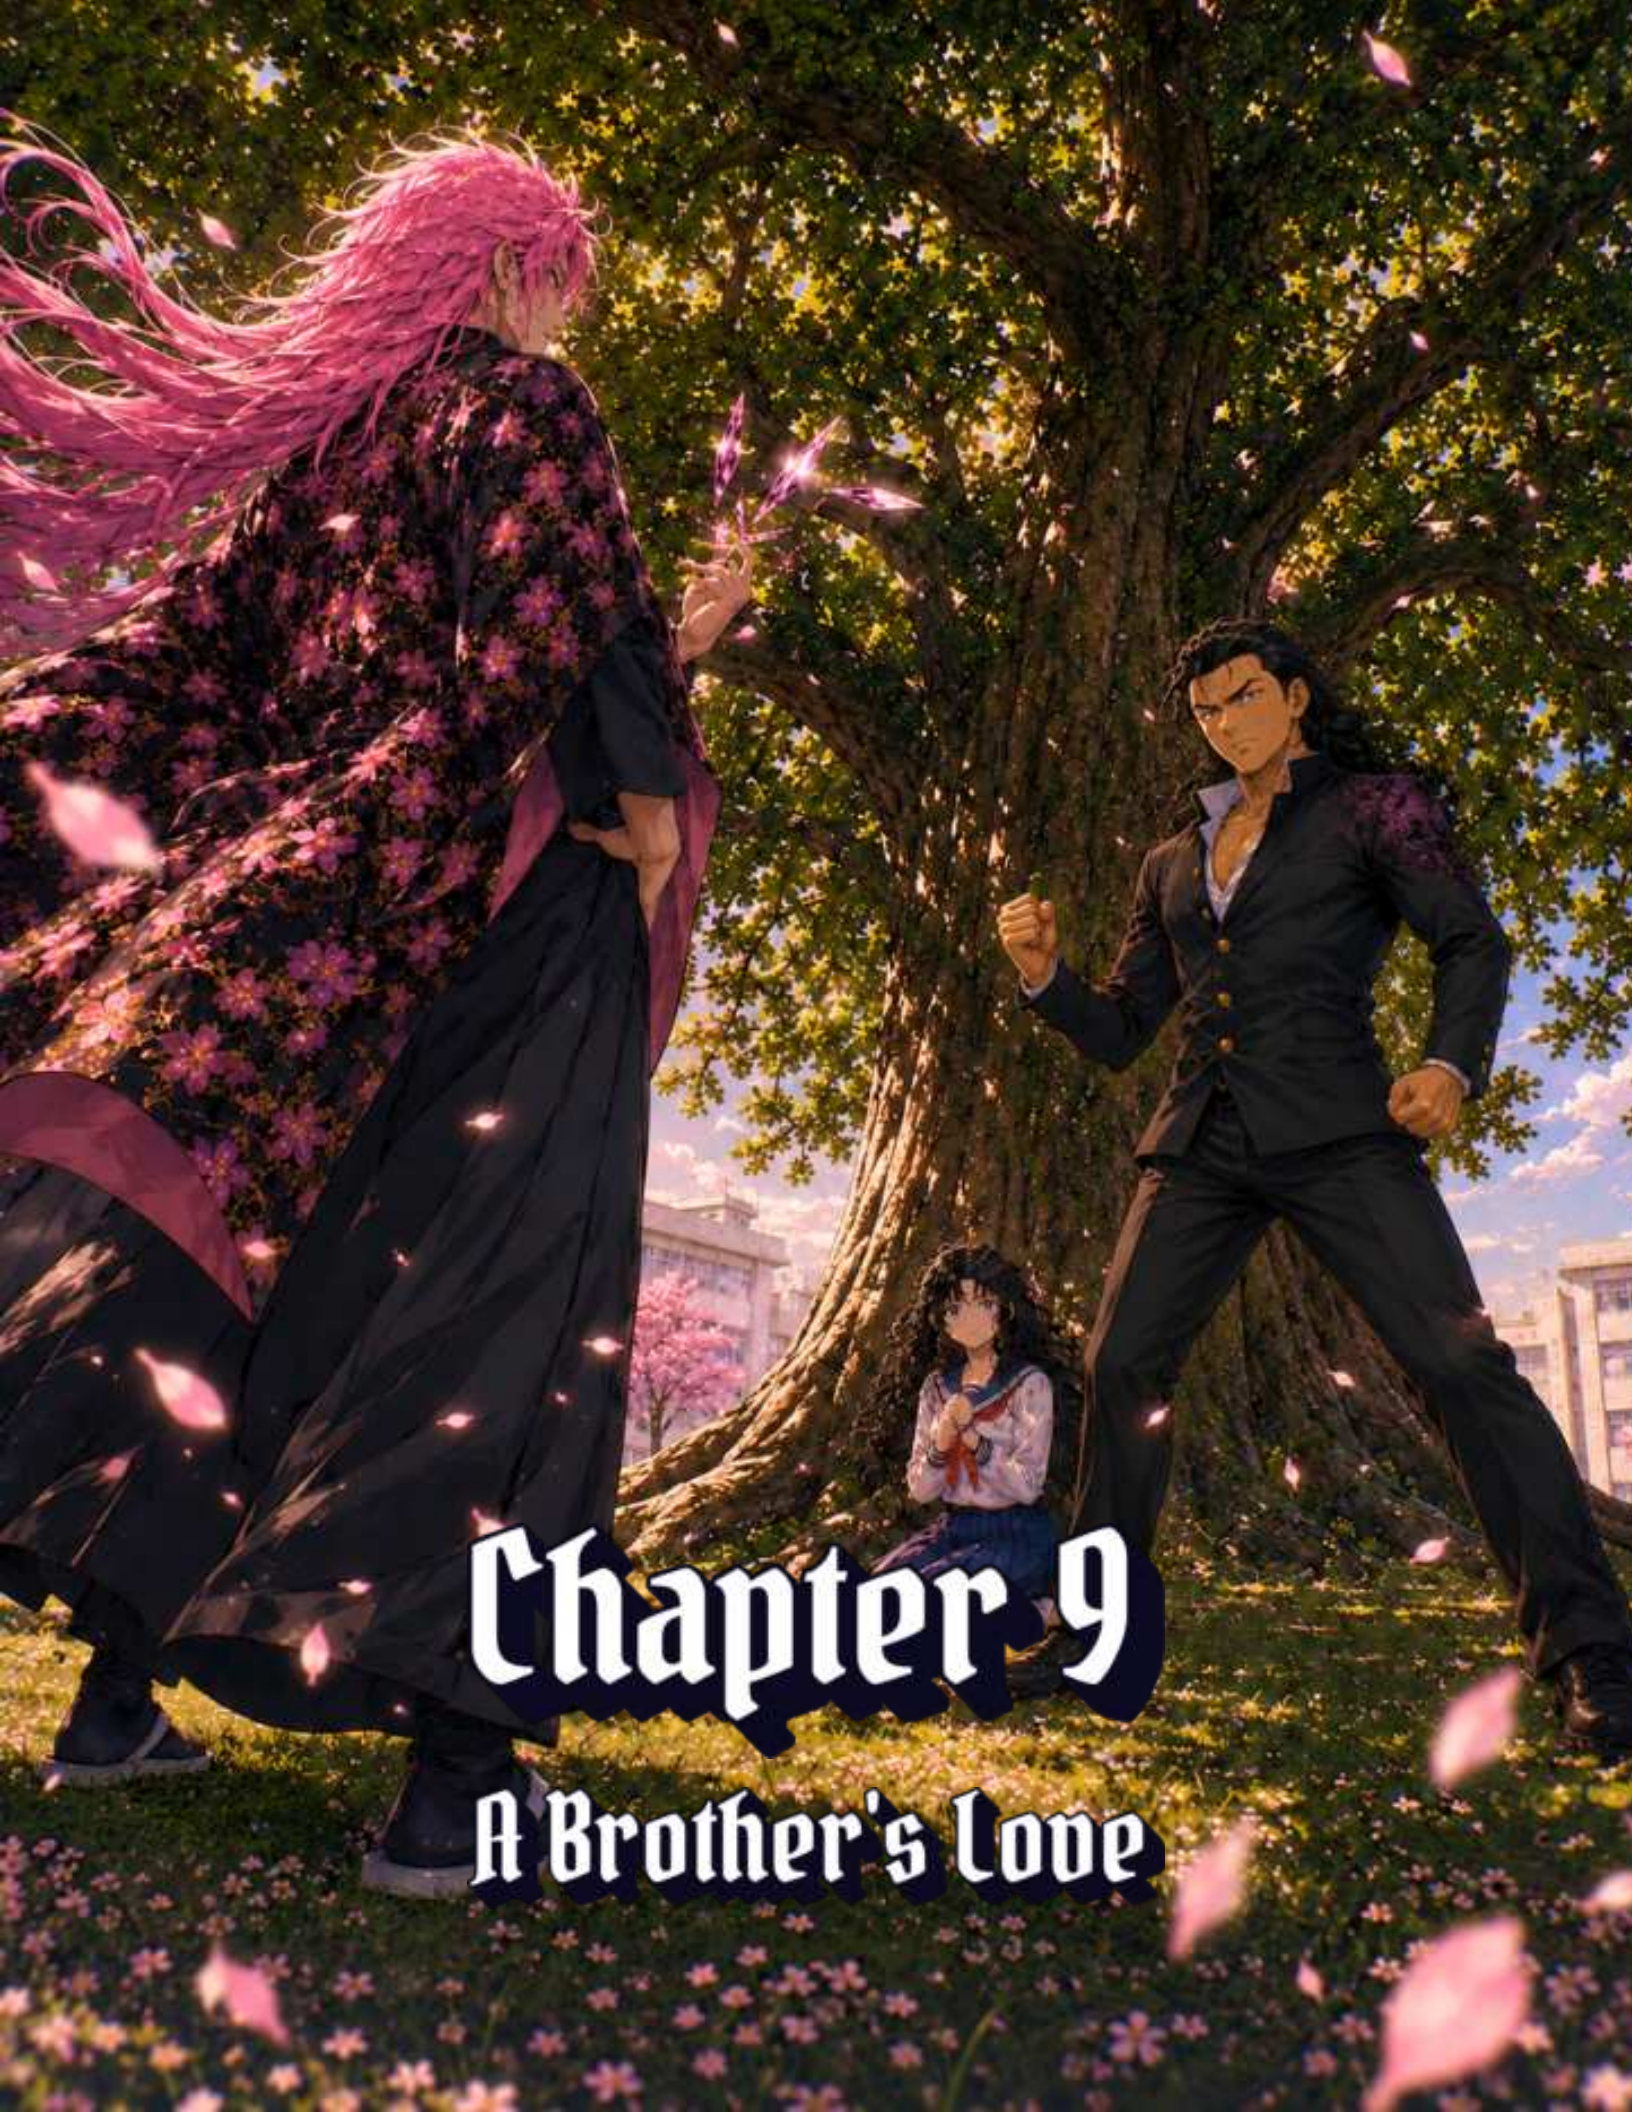

Stay the hell away from my sister!

Burger boy! Get my sister out of here. NOW!

Oni?

Chapter 9

A Brother's Love

I was hired
to pick one
flower, not
three.

Until next
time...

That guy
was like
straight
out of a
manga...

Oni, you
came for
me!

What are you smiling at, burger boy? This doesn't change anything.

If it weren't for Chad, I'd be covered in pointy flowers.

You're still gaijin but now I owe you...punk.

The pedals must be poisoned!

Look! One grazed him on the shoulder.

We better hurry!

Where are you taking him?

The twilight district...

A Mile Later...

Chapter 10

Rescue at Ramen House

He was hit by one of these. I think the tips are poisoned.

I've seen those before...You were right to bring him to me.

Can you save him?

I may be able to. Make me a cup of coffee and wait outside. I'll let you know when I'm done.

I made you some tea.

Thanks...

Miso is training you?

Mostly to make ramen.
I haven't learned much else.

Oni has been cruel to you and you still carried him here. You're a good person, Chad.

He is a jerk... Doesn't mean he deserves to die.

Your brother is going to make it, but he will need rest.

This was no amateur. Any idea why *Roseblade* is after you?

no idea...

If he is a pro assassin, why didn't he kill us all?

Simple.
He wasn't hired to kill but to capture.

And he is only after one of you.
Call someone to get you.

You're not safe.
Stay in groups.

The next day...

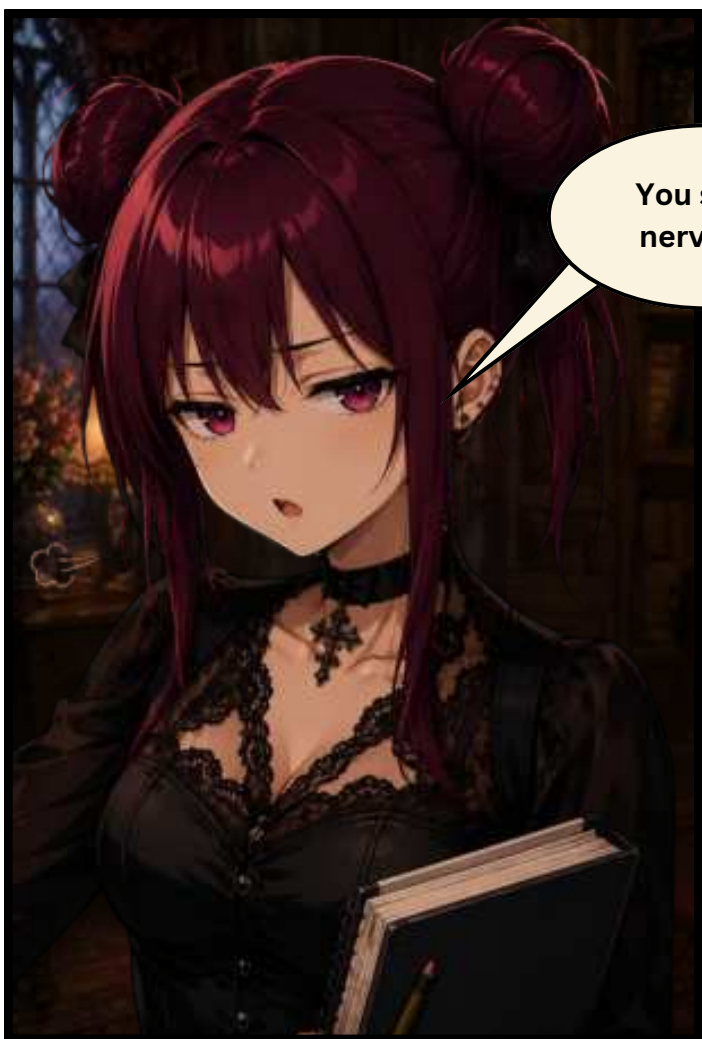

Chad! Come in.

Thanks for
lending your
books

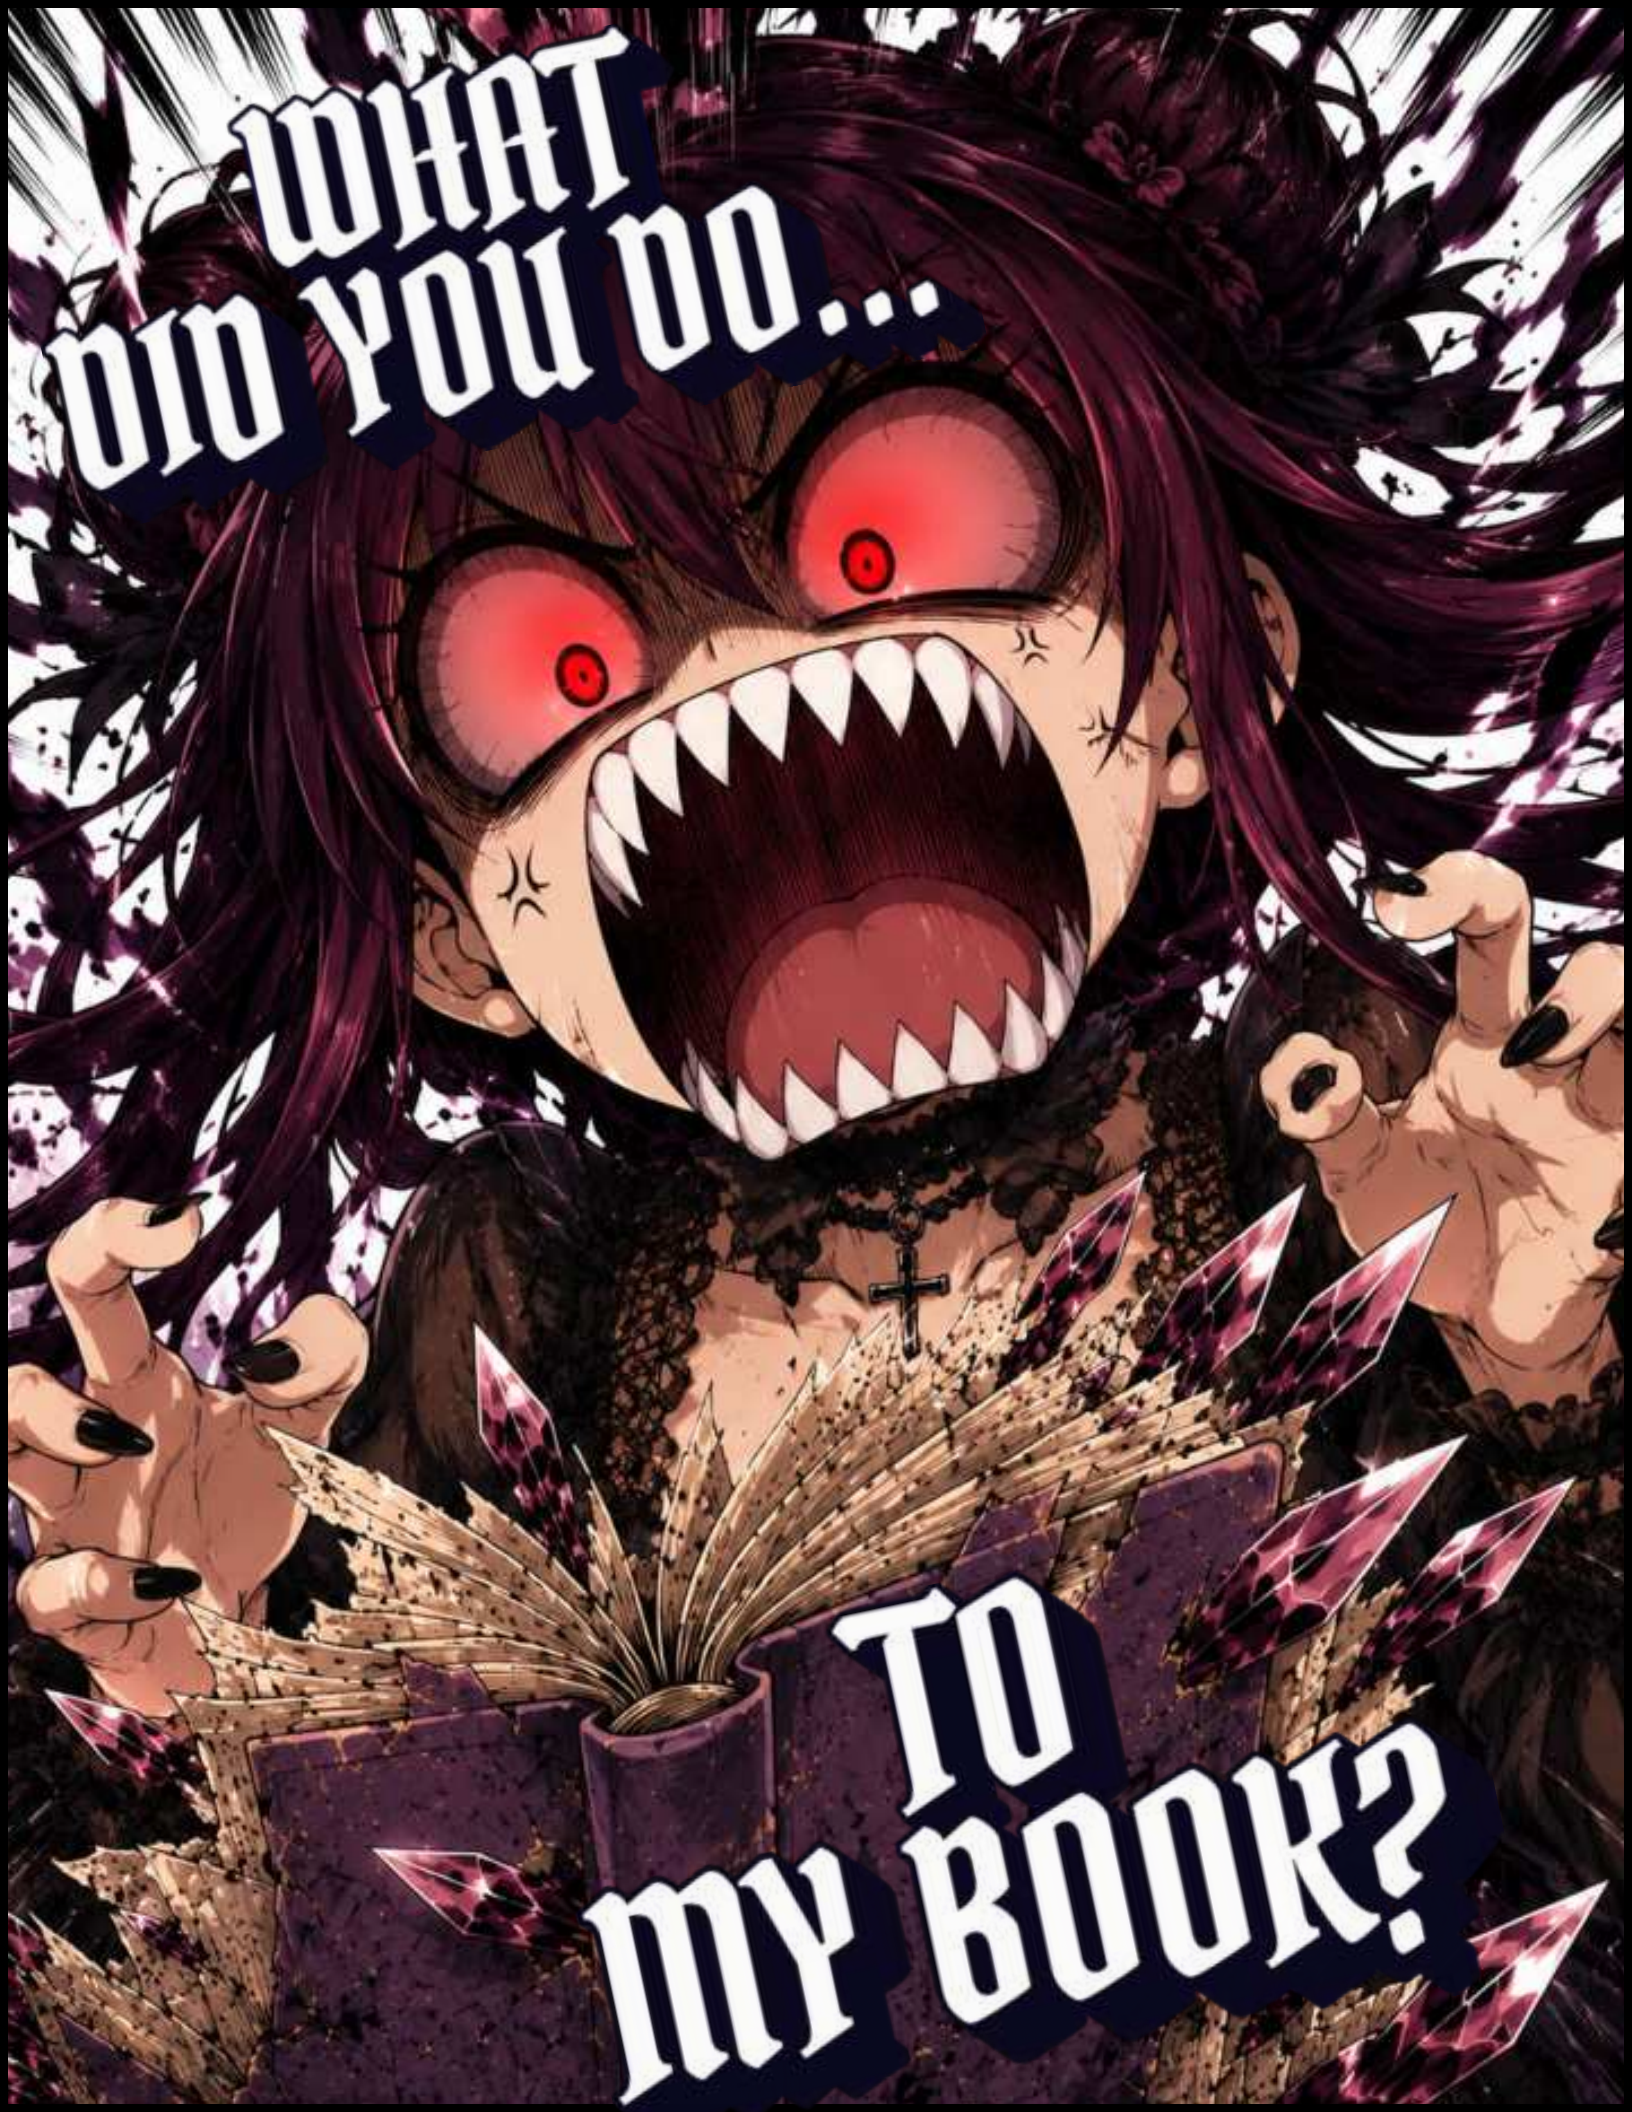

What is it?

You seem
nervous?

I can explain...

WHAT
DID YOU DO...

TO
my BOOK?

Some floral
assassin attacked
Ume and I just
reacted!!

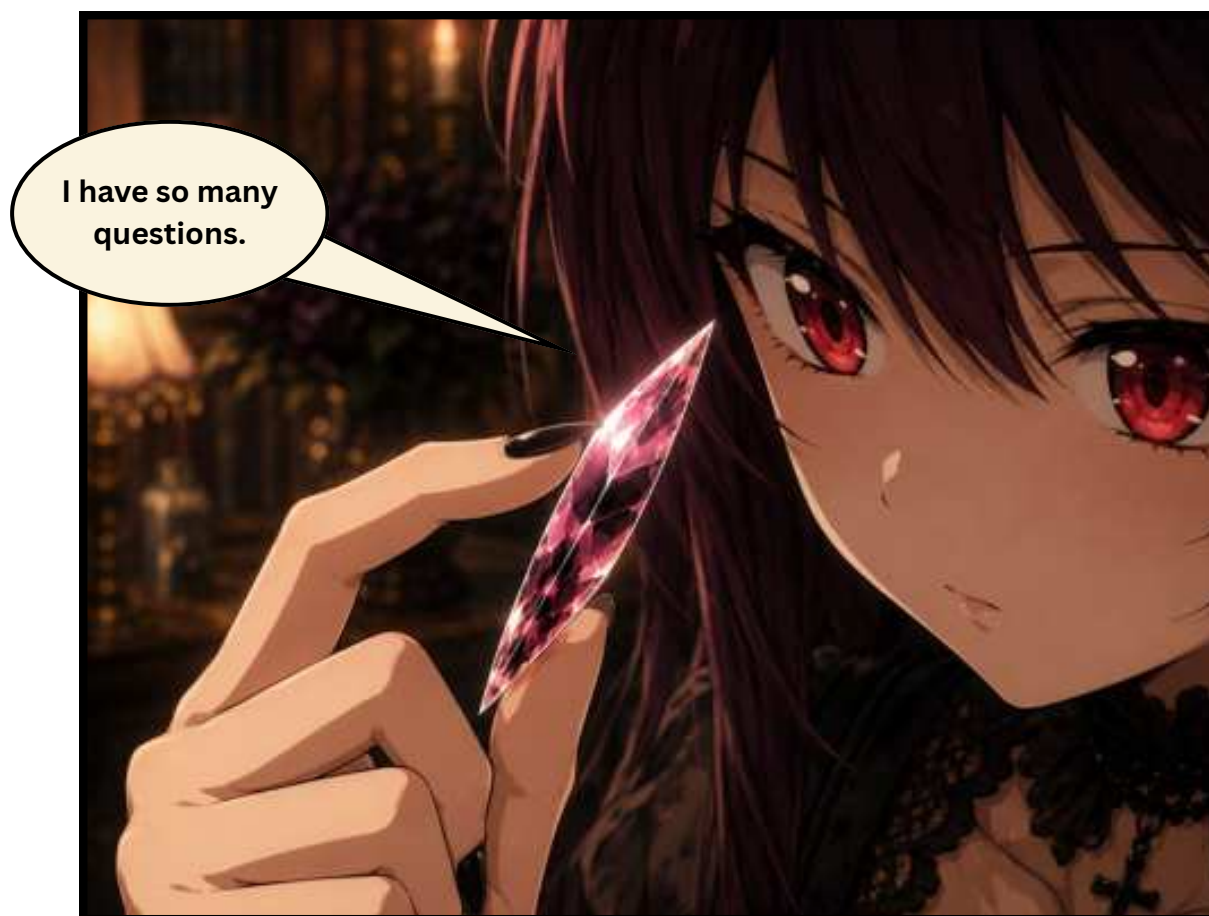

long exhale

Wait a minute...an
assassin...yesterday?
And you waited
until now to tell me.

Well Oni almost died
so I carried him to
Miso's...

Tell me
everything...

To be continued...

Note from the Author

Hey Reader!

A sweet moment under the oak tree with Ume has turned into a life threatening event. Oni, Chad's number one antagonist and bully now owes him for saving his sister and now his life. I wonder how that is going to shape their relationship.

The layers continue to peel back and reveal more mysteries around Ume and Miso. Chad knows Roseblade was after Ume but he doesn't know why.

Also, how does Miso know Roseblade? He seems to have a history or at least knowledge about an assassin. Was Miso an assassin also before retiring to a ramen house or some kind of warrior who fought them.

Anzu is not going to rest until she has her questions answered but some stones are better left unturned. I'm having a lot of fun with this cast of characters and the story seems to be developing a life of its own!

Thank you for reading :)
